How long your cover will last

Bupa Health care select is an annual contract that is automatically renewed each year and will continue until:

- you stop paying subscriptions to it

Bupa has the right to make changes to the terms and conditions of your cover on any annual anniversary date after your policy has started or to end the scheme.

Where cover extends to dependants their cover may end at a different date to the main dependants. The dependant's cover will always end when the main member's cover ends. (See 'How your membership works' section of the policy membership guide for full details).
