In choosing a Bupa health check you are taking an important step towards safeguarding your future health and wellbeing.

This checklist will ensure that you are fully prepared for your Bupa Breast Health check - please take a few moments to read it through and don't hesitate to contact us if you have any queries.

We look forward to welcoming you to the centre and will do everything we can to ensure that you are able to relax and enjoy the time that you are devoting specifically to your health.

## Before your appointment

---

### *Your health check questionnaire*

Please complete and submit your health check questionnaire online. Alternatively, you may complete the enclosed questionnaire and bring it with you on the day of your appointment. This forms the basis for your discussion with the Bupa doctor or Wellwoman sister, and the information you provide will help us to understand and address your individual needs.

### *Rescheduling or cancelling your appointment*

If you change or cancel your booking within the five working day period before your appointment a charge will be made. The charge will be £75 up to 24 hours before the time of your appointment. If you cancel or reschedule within the 24 hours before your appointment, or fail to attend on the day, the full appointment fee will be payable.

If your appointment is being paid for by your employer or has been pre-paid, different terms may apply.

## On the day of your visit to us
