## Beginner half marathon programme

This programme is for you if it's the first time you've run a half marathon or it's been a while since you ran any longer distances. To get the most out of it, you should be able to run 3 miles ( 5 km ) in under 40 minutes - you may have completed one of the other beginner training programmes.

Use this alongside our half marathon training webpage: bupa.co.uk/half-marathon-plan.
The effort levels described here correspond to the 'Activity' column. One mile is equivalent to 1.6 km . For this training programme, distances in km have been rounded to the nearest whole number for simplicity.
