

Health insurance

A photograph of a woman with short dark hair and bangs, wearing a striped shirt and dark overalls, holding a young child in a blue long-sleeved shirt. They are in a brightly lit room, possibly a hospital or clinic, with a man in a grey shirt and glasses visible in the background. The woman has a tattoo on her left arm.

Mental health. A competitor comparison.

September 2023

How do we compare on mental health?

Bupa By You health insurance gives you access to the most extensive mental health cover in the market.*

This is what makes our mental health cover go further

Standard product feature	 Bupa By You comprehensive	 AXA Health Personal Health	 Aviva Healthier Solutions	 Vitality Personal Healthcare
Continued cover for ongoing mental health conditions.	✓	✗	✗	✗
Cover for all types of addictions including alcohol, drug and substance abuse.*	✓	✗	✗	✗
Cover for mental health conditions, such as anxiety, relating to a learning, behavioural or development disorder.^	✓	✗	✗	✗

*This comparison to other products in the market is based on Bupa’s and Defaqto’s interpretation of the differences between Bupa By You health insurance and other health insurance products shown above offering mental health cover in the market in September 2023. The comparison excludes any special offers or promotions which may temporarily alter the cover offered. This cover comparison information is for personal use and guidance only and does not constitute any contractual representation, warranty or obligation by either Bupa or Defaqto about the completeness, accuracy, reliability, suitability or availability of the comparison. Neither party accepts any liability for errors, omissions, direct or consequential loss in relation to this comparison.

^To support addictions we fund one addiction treatment programme per membership lifetime.

^Any treatment for learning difficulties, behavioural or developmental problems (LBD) are ineligible. However, we cover any related mental health condition linked to an LBD, for example anxiety or depression.
