**We've

covered.
Dental Choice.**

Bupa Dental Choice.

When employees look after their teeth and gums they're taking care of their overall health, too. We make it easy for them with clear, itemised dental benefits and the freedom to see their own dentist or visit one of our dental centres across the UK.

All of this. Covered.

- **Itemised treatments.** Employees know exactly what they can claim for each procedure.
 - **Unlimited preventative dental treatment.** They can claim as many times as they like for preventative dental treatment, up to their benefit limit.
 - **No forms, no fuss claiming[^].** This means that if the treatment is covered under the policy, subject to benefit limits, we'll settle the claim directly when they visit participating Bupa-owned practices within our Dental Insurance Network.
 - **10% or 20% discounts[†].** If employees use a Bupa Dental Insurance Network dentist, they could receive a discount of up to 10% or 20% on general dental treatment costs.
 - **We cover the bigger issues too.** This includes dental injuries and emergencies worldwide and oral cancer cover when being referred for treatment and using Bupa partnership consultants and partnership facilities. Six month wait applies from the date of joining for oral cancer cover.
- Please note:** not all Bupa Dental Care practices are part of the Bupa Insurance Network.

[†]Employees must inform the dentist they have Bupa dental insurance and provide their membership number prior to their appointment to benefit from this offer. 10% or 20% discounts are available depending on the practice and the dentist they are seeing. To find the selected Bupa owned and approved centres where this offer is available go to finder.bupa.co.uk and search the Bupa Dental Insurance Network. Discount excludes laboratory fees and specialist treatment and cannot be used against NHS and Bupa Dental Essentials services. Discount cannot be used in conjunction with any other discount.

[^]Claims are forwarded by selected practices in the Bupa Dental Insurance Network as agent of Bupa Insurance Limited. Any claims for orthodontic, dental injury treatment and oral cancer cannot be processed by the dental practice and a claim form must be submitted. Also, all claims for NHS treatment in Scotland and Northern Ireland must be submitted using a claim form. For a claim form go to bupa.co.uk/dental/dental-insurance/make-claim or call us on **0800 237 777**. We may record and monitor our calls.
