About this guide

Welcome to your Bupa Select membership guide.

At Bupa, we know that insurance can be hard to follow. That's why we've made this guide as simple as possible. You'll find individual chapters that deal with each aspect of your Bupa cover, including a step-by-step guide to making a claim.

Please make sure that you keep this guide somewhere safe. You'll need it when you come to claim.

If any of the terms or language used leave you confused – don't worry, we've also included a glossary featuring clear definitions of words that are in **bold** and *italics* in the text.

If you require correspondence and marketing literature in an alternative format, we offer a choice of Braille, large print or audio. Please get in touch to let us know which you would prefer.

TIP:

Cross-check the benefits listed in your membership certificate with the relevant paragraphs in the guide to make sure that you have the cover that you want.

How do I know what I'm covered for?

The precise details of the cover you have chosen are listed in your membership certificate. Please read this membership guide together with your membership certificate, as together they set out full details of how your health insurance works.

How does the membership guide work with my membership certificate?

Your certificate explains the benefits available to you and also provides a series of notes that correspond to the relevant section of the membership guide (where you will find a more detailed explanation of the benefit in your individual policy).

How do I contact Bupa?

We're always on hand to help.

For queries about your cover we have provided a dedicated number which you will find in your membership certificate.

Your rules and benefits

Effective from 1 January 2017

These are the rules and benefits of Bupa Select

- For anyone joining Bupa Select they apply from their **start date**.
- For anyone whose membership of Bupa Select is renewed by the **sponsor** they apply for the period from the first **renewal date** on or after the 'effective from' date.

Words and phrases in **bold** and *italic* in this membership guide are defined terms which have a specific meaning. You should check their meaning in the glossary.

Important note – please read this section before you read the rest of this membership guide as it explains how this membership guide and your membership certificate work together.

This Bupa Select Membership Guide and your *membership certificate* together set out full details of your **benefits**. They should not be read as separate documents.

This membership guide is a generic guide. It contains the general membership terms that apply to all Bupa Select members. It also contains all the elements of cover that can be provided under Bupa Select. **You may not have all the cover set out in this membership guide.** It is your *membership certificate* that shows the cover that is specific to your **benefits**. Any elements of cover in this membership guide that are either:

- shown in your *membership certificate* as 'not covered', or
- do not appear in your *membership certificate*

you are not covered for, and you should therefore ignore them when reading this membership guide. Your *membership certificate* could also show some changes to the terms of cover set out in this membership guide particularly in the 'Further details' section of your *membership certificate*.

When reading this membership guide and your *membership certificate*, it is your *membership certificate* which is personal to you. This means that if your *membership certificate* contradicts this membership guide it is your *membership certificate* that will take priority.

Always call the helpline if you are unsure of your cover.

How your membership works

The agreement between the sponsor and us

Your cover is provided under an **agreement** between the **sponsor** and **Bupa**. There is no legal contract between you and **us** for your cover under the **agreement**. Only the **sponsor** and **Bupa** have legal rights under the **agreement** and are the only ones who can enforce the **agreement**, although **we** will allow anyone who is covered under the **agreement** complete access to **our** complaints process (please also see 'Making a complaint' in this section).

The documents that set out your cover

The following documents set out the details of the cover **we** will provide for you under the **agreement**. These documents must be read together as a whole, they should not be read as separate documents.

- **The Bupa Select Membership Guide:** this sets out the general terms and conditions of membership (including exclusions) and all the elements of cover that can be provided under Bupa Select.
- **Your membership certificate:** this shows the cover that is specific to your **benefits**, including the underwriting method applied, the limits that apply, any variations to the benefits, terms or conditions explained in this membership guide and whether an **excess** or **co-insurance** applies to your cover and if it does, the amount and how it applies.

And for **underwritten members**:

- **Your application for cover:** this includes any applications for cover for **underwritten members** and the declarations that **you** made during the application process.

Payment of benefits

We only pay for **treatment** that you receive, or the **benefits** that you are entitled to, while you are covered under the **agreement** and **we** only pay in accordance with the **agreement**. **We** also only pay the **benefits** that applied to you on the date you received your **treatment** or the date that you became entitled to those **benefits**.

When you receive private medical treatment you have a contract with the providers of your **treatment**. You are responsible for the costs you incur in having private **treatment**. However, if your **treatment** is **eligible treatment we** pay the costs that are covered under your **benefits**. Any costs, including **eligible treatment** costs, that are not covered under your **benefits** are your sole responsibility.

The provider might, for example, be a **consultant**, a **recognised facility** or both. Sometimes one provider may have arrangements with other providers involved in your care and, therefore, be entitled to receive all the costs associated with your **treatment**. For example a **recognised facility** may charge for **recognised facility** charges, **consultants' fees** and **diagnostic tests** all together.

In many cases **we** have arrangements with providers about how much they charge **our** members for **treatment** and how **we** pay them. For **treatment** costs covered under your **benefits we** will, in most cases, pay the provider of your **treatment** direct – such as the **recognised facility** or **consultant** – or whichever other person

or facility is entitled to receive the payment. Otherwise **we** will pay the **main member**. **We** will write to tell the **main member** how **we** have dealt with any claim. *Please also see the section 'Claiming'.*

When your membership starts, renews and ends

Starting membership

Your membership under the **agreement** must be confirmed by the **sponsor**.

Your cover starts on **your start date**.

Your dependants' cover starts on their **start date**. **Your start date** and **your dependants' start date(s)** may not be the same.

Covering a newborn baby

If the **sponsor** agrees, **you** may apply to include **your** newborn baby under **your** membership as one of **your dependants**.

If your baby's membership would be as:

- an **underwritten member**, **we** will not apply any **special conditions** to the baby's cover
- a **moratorium member**, **we** will not apply the exclusion for **moratorium conditions** from the baby's cover – see Exclusion 33 in the section 'What is not covered' but only if both the following apply:
 - **you** and/or **your partner** have been covered under the **scheme** (and if applicable a **previous scheme**) for at least 12 continuous months before the baby's birth and
 - **you** include **your** baby under **your** membership within three months of the baby's birth.

In which case if **we** agree to cover your baby it will be from their date of birth (or **your start date** if their date of birth is before **your start date**).

Renewal of your membership

The renewal of your membership is subject to the **sponsor** renewing your membership under the **agreement**.

How membership can end

You or the **sponsor** can end **your** membership or the membership of any of **your dependants** at any time. If **you** want to end **your** membership or that of **your dependants** **you** must write to **us**. If **your** membership ends the membership of all **your dependants** will also end.

Your membership and that of **your dependants** will automatically end if:

- the **agreement** is terminated
- the terms of the **agreement** say that it must end
- the **sponsor** does not pay subscriptions or any other payment due under the **agreement** for **you** or any other person
- **you** stop living in the **UK** (**you** must inform **us** if **you** stop living in the **UK**), or
- **you** die.

Your dependants' membership will automatically end if:

- **your** membership ends
- the terms of the **agreement** say that it must end
- the **sponsor** does not renew the membership of that **dependant**
- that **dependant** stops living in the **UK** (**you** must inform **us** if that **dependant** stops living in the **UK**), or
- that **dependant** dies.

We can end a person's membership if there is reasonable evidence that **you** or they misled **us** or attempted to do so. By this **we** mean, giving false information or keeping necessary information from **us**, either intentionally or carelessly, which may influence **us** when deciding:

- whether or not **we** will provide cover for them
- whether **we** have to pay any claim.

When **your** membership or **your dependants'** membership ends, **we** may be able to offer **you** or them continuation of membership on a **Bupa** personal policy as an ex-group scheme member depending upon how long **you** or they have been a **Bupa** group scheme member. This would allow **you** or them to transfer without any additional **special conditions** if **you** or they transferred within three months of leaving the group scheme, without any break in cover. If **you** would like to consider this option please call **0800 600 500** to discuss it with **us**.†

Paying subscriptions and other charges

The **sponsor** must pay to **us** subscriptions and any other payment due for **your** membership and that of every other person covered under the **agreement**. Bupa Insurance Services Limited acts as our agent for arranging and administering **your** policy. Subscriptions are collected by Bupa Insurance Services Limited as our agent for the purpose of receiving, holding and refunding premiums and claims monies.

If **you** contribute to the cost of subscriptions for **you** and/or **your dependants** (for example by payroll deduction or by Direct Debit collected by **Bupa** on behalf of the **sponsor**) this arrangement does not in any way affect the contractual position set out in the rule 'The agreement between the sponsor and us' in this section.

Making changes

Changes to your membership

The terms and conditions of your membership, including your **benefits**, may be changed from time to time by agreement between the **sponsor** and **us**.

Other parties

No other person is allowed to make or confirm any changes to your membership or your **benefits** on **our** behalf or decide not to enforce any of **our** rights. Equally, no change to your membership or your **benefits** will be valid unless it is specifically agreed between the **sponsor** and **us** and confirmed in writing.

†We may record or monitor our calls.

You should call or write to tell **us** if **you** change **your** address.

Whilst we are bound by the decision of the Financial Ombudsman Service, you are not.

The European Commission also provides an online dispute resolution (ODR) platform which allows consumers to submit complaints through a central site which forwards the complaint to the relevant Alternative Dispute Resolution (ADR) scheme. For Bupa, complaints will be forwarded to the Financial Ombudsman Service and you can refer complaints directly to them using the details above. For more information about ODR please visit <http://ec.europa.eu/consumers/odr/>

The Financial Services Compensation Scheme (FSCS)

In the unlikely event that **we** cannot meet **our** financial obligations, you may be entitled to compensation from the Financial Services Compensation Scheme. This will depend on the type of business and the circumstances of your claim.

The FSCS may arrange to transfer your policy to another insurer, provide a new policy or, where appropriate, provide compensation. Further information about compensation scheme arrangements is available from the FSCS on **0800 678 1100** or **020 7741 4100** or on its website at: www.fscs.org.uk

Claiming

Step-by-step guide to making a claim

Step
1

Visit your GP

The process generally starts with a visit to your **GP**.

Your **GP** will advise you if you need to see a consultant or healthcare professional.

Step
2

Get a referral for your treatment: check which option applies to your cover

If you need to see a consultant, your **GP** will provide you with a referral letter which will detail the type of specialist your **GP** would like you to see.

There are some conditions where a **GP** referral is not normally required and details of these are available from **us** on request. For information on these conditions please call member services or go to [bupa.co.uk/policyinformation](https://www.bupa.co.uk/policyinformation). The list of conditions for which a **GP** referral is not usually required may be updated from time to time.

Check the 'Cover option' within the Group Details section of your **membership certificate** to see whether the Open Referral Service applies to your cover. If your 'Cover option' does not state open referral, then it does not apply to you.

- If the Open Referral Service does not apply to you:

We nevertheless recommend that you ask for an 'open referral' which will detail the care your **GP** would like you to have, but will not be addressed to a specific consultant, hospital or healthcare professional. An open referral needs to include your **GP's** assessment of your symptoms, the body area affected and medical speciality required.

By obtaining an open referral **we** can offer you a choice of consultants, as well as help you to make sure you avoid any extra costs (some consultants charge fees which are outside **our** benefit limits and if they do, you may need to pay some of the fees). You'll find a simple open referral form for your **GP** to complete on: [bupa.co.uk/referral](https://www.bupa.co.uk/referral)

If your **GP** does want to provide you with a referral to a specific consultant make sure you confirm with **us** that they charge within **our** benefit limits, to avoid being responsible for any unforeseen costs.

- If the Open Referral Service applies to you:

If the Open Referral Service applies to you, you must obtain an open referral from your **GP** to ensure that your treatment is covered, and to avoid having to return to your **GP** and obtain an open referral.

IMPORTANT: You must call **us** to pre-authorise any claim before arranging or receiving any treatment. Failure to obtain pre-authorisation from **us** means that you will be responsible for paying for all such treatment. **We** will help you find a consultant or healthcare professional within your local area and confirm the benefits available to you under your cover. You'll find a simple open referral form for your **GP** to complete on: [bupa.co.uk/referral](https://www.bupa.co.uk/referral)

Step
3**Call us**

Call **us** so that **we** can discuss your options and explain which consultants and healthcare professionals are covered under your Bupa membership.

We will let you know what you need to do next and send you any necessary pre-treatment forms you may need to complete.

Remember – if the Open Referral Service applies to you, you must call **us** before arranging or receiving any treatment.

Step
4**Get a pre-authorisation number**

When **we** have confirmed that your **treatment** is covered, **we** will discuss your claim with you and issue you a 'pre-authorisation' number. You can then contact your consultant or healthcare provider to arrange an appointment.

We recommend you give your pre-authorisation number to the consultant or healthcare professional you see so that the invoice for any treatment costs can be sent to **us** directly. If your company has selected the Open Referral Service, then you must call **us** to pre-authorise your **treatment**.

If for any reason you are sent an invoice, simply send it on to: Claims Department, Bupa, Salford Quays, M50 3XL.

Once we have made our payment, we will send you a summary of your claim and treatment details. Please note that payment may take a number of weeks depending on how quickly invoices are submitted to us.

Claims checklist

What you'll need to make a claim – to help **us** to make the claims process as simple and swift as possible, please have the following information close to hand when you call to make a claim:

- **your Bupa membership number**
- **the condition you are suffering from**
- **details of when your symptoms first began**
- **details of when you first consulted your GP about your condition**
- **details of the treatment that has been recommended**
- **date(s) on which you are to receive treatment**
- **the name of the consultant or other healthcare professional involved**
- **details of where your proposed treatment will take place**
- **your expected length of stay in hospital (if applicable)**

A Making a claim

A1 Claims other than Cash benefits

If the Open Referral Service does not apply to your cover we recommend that you always contact us before arranging or receiving any treatment. This is the only way that **we** can confirm the **benefits** that are available to you before you incur any costs for your **treatment**. Any costs you incur that are not covered under your **benefits** are your responsibility.

If the Open Referral Service applies to your cover you must ask for an 'open referral' from your GP (please see the 'Step-by-step guide to making a claim') **and you must call us before arranging or receiving any treatment. We** will confirm the medical providers and treatment facilities that you must use. Failure to call **us** to obtain pre-authorisation for your **treatment** means that you will be responsible for paying for all such **treatment**.

Please see the 'Cover option' section of your **membership certificate** - it will state 'Open Referral' if the Open Referral Service applies to your cover.

For moratorium members

As a **moratorium member** you are not covered for **treatment** of any **moratorium conditions**. Each time you make a claim you must provide **us** with information so **we** can confirm whether your proposed **treatment** is covered under your **benefits**.

Before you arrange any consultation or **treatment** call **us** and **we** will send you a pre-treatment form to complete. You will need to provide details of the history of the medical condition you are claiming for, including information that you will need to ask your **GP** or **consultant** for. Your **GP** or **consultant** may charge you a fee for providing a report which **we** do not pay. Each claim you make while you are a **moratorium member** will be assessed on this information and any further information **we** ask you to provide to **us** at the time you claim.

Once **we** receive all the information **we** ask you for **we** will:

- if the Open Referral Service does not apply to your cover, confirm whether your proposed **treatment**, medical provider or treatment facility will be eligible under your **benefits**
- if the Open Referral Service applies to your cover, confirm whether your proposed **treatment** will be eligible under your **benefits** and, if so, the medical providers or treatment facilities you must use
- the level of **benefits** available to you, and
- tell you whether you will need to complete a claim form.

Please see the 'Cover option' section of your **membership certificate** - it will state 'Open Referral' if the Open Referral Service applies to your cover.

If you do not need to complete a claim form we will treat your submission of your pre-treatment form to **us** as your claim once **we** are notified that you have received your consultation or **treatment**. In most cases **we** will be notified that you have received your consultation or **treatment** by your **consultant** or the provider of your **treatment**.

If you do need to complete a claim form you will need to return the fully completed claim form to **us** as soon as possible and in any event within six months of receiving the **treatment** for which you are claiming unless this was not reasonably possible.

For non-moratorium members

When you call **us we** will:

- if the Open Referral Service does not apply to your cover, confirm whether your proposed **treatment**, medical provider or treatment facility will be **eligible** under your **benefits**
- if the Open Referral Service applies to your cover, confirm whether your proposed **treatment** will be eligible under your **benefits** and, if so, the medical providers or treatment facilities you must use
- confirm the level of **benefits** available to you, and
- tell you whether you will need to complete a claim form, if you claim.

Please see the 'Cover option' section of your **membership certificate** – it will state 'Open Referral' if the Open Referral Service applies to your cover.

If you do not need to complete a claim form, we will treat your call to **us** as your claim once **we** are notified that you have received your consultation or **treatment**. In most cases **we** will be notified that you have received your consultation or **treatment** by your **consultant** or the provider of your **treatment**.

If you do need to complete a claim form you will need to return the fully completed claim form to **us** as soon as possible and in any event within six months of receiving the **treatment** for which you are claiming unless this was not reasonably possible.

A2 Claims for Cash benefits

For benefits CB1, NHS cash benefit and CB6, NHS cancer cash benefit

◦ For moratorium members

Call the helpline and **we** will send you a cash benefit pre-treatment form to complete. You will need to provide details of the history of the medical condition you are claiming for, including information that you will need to ask your **GP** or **consultant** for. Your **GP** or **consultant** may charge you a fee for providing a report which **we** do not pay. Each claim you make while you are a **moratorium member** will be assessed on this information and any further information **we** ask you to provide to **us** at the time you claim.

Once **we** receive all the information **we** ask you for **we** will:

- confirm whether your **treatment** will be **eligible** for NHS cash benefit
 - confirm the level of **benefits** available to you, and
 - send you a claim form which you will need to take with you to the hospital and ask them to complete the hospital sections. You will need to return your fully completed form to **us** as soon as possible and in any event within six months of receiving your **treatment** unless this was not reasonably possible
- **For non-moratorium members**

Call the helpline to check your **benefits**. **We** will confirm your **benefits** and send you a claim form which you will need to take with you to the hospital and ask them to complete the hospital sections. You will need to return your fully completed form to **us** as soon as possible and in any event within six months of receiving your **treatment** unless this was not reasonably possible.

For benefits CB2 to CB5

Call the helpline to check your **benefits**. **We** will confirm your **benefits** and tell you whether you need to complete a claim form. You must send **us** either:

- your completed claim form if you need to complete one – in which case you will need to return your fully completed form to **us** as soon as possible and in any event within six months of receiving your **treatment** unless this was not reasonably possible

or

- if you do not need a claim form, a covering letter giving your name, address and membership number

together with:

- for family cash benefit: a copy of **your** child's birth or adoption certificate
- for other cash benefits: your original invoices and receipts.

A3 Claims for repatriation and evacuation assistance

You **must** contact **us** before any arrangements are made for your repatriation or evacuation. When you contact **us** **we** will check your cover and explain the process for arranging repatriation or evacuation and making a claim. From outside the **UK** – or inside the **UK** when your helpline is closed – call **us** on: **+ 44 (0)161 868 6417**. Lines open 24 hours 365 days a year. We may record or monitor our calls.

A4 Treatment needed because of someone else's fault

When you claim for **treatment** you need because of an injury or medical condition that was caused by or was the fault of someone else (a 'third party'), for example, an injury suffered in a road accident in which you are a victim, all of the following conditions apply when you make such a claim:

- you agree you are responsible for the payment of any costs which may ultimately be recovered from the third party
- you must notify **us** as soon as possible that your **treatment** was needed as a result of a third party. You can notify **us** either by writing to **us** or completing the appropriate section on your claim form. You must provide **us** with any further details that **we** reasonably ask you for
- you must take any reasonable steps **we** ask of you to recover from the third party the cost of the **treatment** paid for by **us** and claim interest if you are entitled to do so
- you (or your solicitor) must keep **us** fully informed in writing of the progress and outcome of your claim
- if you recover the cost of any **treatment** paid for by **us**, you must repay the amount and any interest to **us**.

A5 Other insurance cover

If you have other insurance cover for the cost of the **treatment** or services that you are claiming from **us** you must provide **us** with full details of that other insurance policy as soon as possible. You must do this either by writing to **us** or by completing the appropriate section on your claim form. In which case **we** will only pay **our** share of the cost of the **eligible treatment** for which you are claiming.

B How we will deal with your claim

B1 General information

We only pay for **treatment** that you receive, or the **benefits** that you are entitled to, while you are covered under the **agreement** and **we** only pay in accordance with the **agreement**. **We** also only pay the **benefits** that applied to you on the date you received your **treatment** or the date that you became entitled to those **benefits**.

Except for NHS cash benefit and Family cash benefit, **we** only pay eligible costs and expenses actually incurred by you for **treatment** you receive.

We do not have to pay a claim if you break any of the terms and conditions of your membership.

Unless **we** tell you otherwise, your claim form and proof to support your claim must be sent to **us**.

We reserve the right to change the procedure for making a claim. If so, **we** will write and tell the **sponsor** about any changes.

B2 Providing us with information

You will need to provide **us** with information to help **us** assess your claim if **we** make a reasonable request for you to do so. For example, **we** may ask you for one or more of the following:

- medical reports and other information about the **treatment** for which you are claiming
- the results of any independent medical examination which **we** may ask you to undergo at **our** expense
- original accounts and invoices in connection with your claim (including any related to **treatment** costs covered by your **excess** or **co-insurance** - if any).

We cannot accept photocopies of accounts or invoices or originals that have had alterations made to them.

If you do not provide **us** with any information **we** reasonably ask you for, **we** will be unable to assess your claim.

Obtaining medical reports from your GP or consultant: When you need to request a medical report from your **GP** or **consultant**, **we** can do this on your behalf with your consent.

We will always ask for your consent before requesting a report from your doctor on your behalf and we will ask for your consent on the telephone when we explain to you the need for the report. You can choose from three courses of action:

1. You can give your consent without asking to see the doctor's report before it is sent to **us**. The doctor will send the report directly to **us**:

If you give your consent to **us** obtaining a report without indicating that you wish to see it, you can change your mind by contacting your doctor before the report is sent to **us**. In which case you will have the opportunity to see the report and ask the doctor to change the report or add your comments before it is sent to **us**, or withhold your consent for its release.

2. You can give your consent, but ask to see the report before it is sent to **us**, in which case you will have 21 days, after **we** notify you that **we** have requested a report from the doctor, to contact your doctor to make arrangements to see the report. If you fail to contact the doctor within 21 days, **we** will request they send the report direct to **us**. If however you contact your doctor with a view to seeing the report, you must give the doctor written consent before they can release it to **us**. You may ask your doctor to change the report if you think it is misleading. If your doctor refuses, you can insist on adding your own comment to the report before it is sent to **us**.
3. You can withhold your consent, but if you do, please bear in mind that **we** may be unable to progress with your claim.

Whether or not you indicate that you wish to see the report before it is sent, you have the right to ask your doctor to let you see a copy, provided that you ask them within six months of the report having been supplied to **us**.

Your doctor is entitled to withhold some or all of the information contained in the report if, in their opinion, this information (a) might cause serious harm to your physical or mental health or that of another person, or (b) it would reveal the identity of another person without their consent (other than that provided by a healthcare professional in their professional capacity in relation to your care).

We may make a contribution to the costs of any report that **we** have requested on your behalf, this will be confirmed at point of telephone consent. If **we** do make a contribution, you will be responsible for any amount above this.

B3 How we pay your claim

Claims other than Cash benefits: for **treatment** costs covered under your **benefits we** will, in most cases, pay the provider of your **treatment** direct – such as the **recognised facility** or **consultant** – or whichever other person or facility is entitled to receive the payment. Otherwise **we** will pay the **main member**. **We** will write to tell the **main member** how **we** have dealt with any claim.

Claims for cash benefits: **we** pay eligible claims by cheque to the **main member**.

Claims for overseas emergency treatment under benefit 9: **we** only pay eligible claims in £sterling. When **we** have to make a conversion from a foreign currency to £sterling **we** will use the exchange rate published in the **UK's** Financial Times on the Monday of the week in which the first day of your **treatment** takes place.

C If you want to withdraw a claim

If, for any reason, you wish to withdraw your claim for the costs of **treatment** you have received, you should call the helpline to tell **us** as soon as possible. You will be unable to withdraw your claim if **we** have already paid your claim.

If you do withdraw your claim you will be responsible for paying the costs of that **treatment**.

D Ex-gratia payments

If **we** agree to pay for the costs of **treatment** to which you are not entitled under your **benefits**, ie an 'ex-gratia payment', this payment will still count towards the maximum amount **we** will pay under your **benefits**. Making these payments does not oblige **us** to make them in the future.

E If you have an excess or co-insurance

The **sponsor** may have agreed with **us** that either an **excess** or **co-insurance** shall apply to your **benefits**. The **membership certificate** shows if one does apply and if so,

- the amount
- who it applies to
- what type of **treatment** it is applied to, and
- the period for which the **excess** or **co-insurance** will apply.

Some further details of how an **excess** or **co-insurance** works are set out below and should be read together with your **membership certificate**.

If you are unsure whether an **excess** or **co-insurance** does apply to you please refer to your **membership certificate** or contact the helpline.

E1 How an excess or co-insurance works

Having an **excess** or **co-insurance** means that you have to pay part of any eligible **treatment** costs that would otherwise be paid by **us** up to the amount of your **excess** or **co-insurance**. By eligible **treatment** costs **we** mean costs that would have been payable under your **benefits** if you had not had an **excess** or **co-insurance**.

If your **excess** or **co-insurance** applies each **year** it starts at the beginning of each **year** even if your **treatment** is ongoing. So, your **excess** or **co-insurance** could apply twice to a single course of **treatment** if your **treatment** begins in one **year** and continues into the next **year**.

We will write to the **main member** to tell them who you should pay the **excess** or **co-insurance** to, for example, your **consultant, therapist** or **recognised facility**. The **excess** or **co-insurance** must be paid direct to them – not to **Bupa**. **We** will also write to tell the **main member** the amount of the **excess** or **co-insurance** that remains (if any).

You should always make a claim for eligible **treatment** costs even if **we** will not pay the claim because of your **excess** or **co-insurance**. Otherwise the amount will not be counted towards your **excess** or **co-insurance** and you may lose out should you need to claim again.

E2 How the excess or co-insurance applies to your benefits

Unless **we** say otherwise in your **membership certificate**:

- **we** apply the **excess** or **co-insurance** to your claims in the order in which **we** process those claims
- when you claim for eligible **treatment** costs under a **benefit** that has a benefit limit your **excess** or **co-insurance** amount will count towards your total benefit limit for that **benefit**
- the **excess** or **co-insurance** does not apply to Cash benefits.

Benefits

This section explains the type of charges **we** pay for **eligible treatment** subject to your medical condition, the type of **treatment** you need and your chosen medical practitioners and/or treatment facility all being eligible under your **benefits**.

Notes on benefits

The following notes apply equally to all the benefits and should be read together with those benefits.

Restrictions and/or limitations to benefits

Your cover may be limited or restricted through one or more of the following:

- benefit limits: these are limits on the amounts **we** will pay and/or restrictions on the cover you have under your **benefits**. Your **membership certificate** shows the benefit limits and/or restrictions that apply to your **benefits**
- **excess** or **co-insurance**: these are explained in rule E in the section 'Claiming'. Your **membership certificate** shows if an **excess** or **co-insurance** applies to your **benefits**. If one does apply, your benefit limits shown in your **membership certificate** will be subject to your **excess** or **co-insurance**
- **overall annual maximum benefit**: this is a limit on the overall amount **we** will pay under your **benefits** each **year**. Your **membership certificate** shows if an **overall annual maximum benefit** applies to your **benefits**. If one does apply, your benefit limits shown in your **membership certificate** will be subject to your **overall annual maximum benefit**. Your **excess, co-insurance** and any amounts **we** pay to you on an ex-gratia basis will count towards your **overall annual maximum benefit**
- if you are an **underwritten member** or a **moratorium member**
- if the Open Referral Service applies to your cover you must obtain an "open referral" from your **GP** and you must call **us** before arranging or receiving any **treatment**. **We** will confirm the medical providers or treatment facilities you must use. Failure to call **us** to obtain pre-authorisation for your **treatment** means that you will be responsible for paying for all such **treatment**. Please see the 'Cover option' section of your **membership certificate** – it will state 'Open Referral' if the Open Referral Service applies to your cover
- exclusions that apply to your cover: the general exclusions are set out in the section 'What is not covered'. Some exclusions also apply in this section and there may also be exclusions in your **membership certificate**.

Being referred for treatment and Bupa recognised medical practitioners and recognised facilities

Your consultation or **treatment** must in most cases follow an initial referral by a **GP** after you have seen the **GP** in person. However, for **day-patient treatment** or **in-patient treatment** provided by a **consultant** such referral is not required in the case of a medical emergency.

There are some conditions where a **GP** referral is not required and details of these are available from **us** on request. For information on these conditions please call member services or go to [bupa.co.uk/policyinformation](https://www.bupa.co.uk/policyinformation). The list of conditions for which a **GP** referral is not usually required may be updated from time to time.

Your cover for **eligible treatment** costs depends on you using certain **Bupa** recognised medical and other health practitioners and **recognised facilities**. Please note:

- the medical practitioners, other healthcare professionals and **recognised facilities** you use can affect the level of benefits **we** pay you
- certain medical practitioners, other healthcare professionals and **recognised facilities** that **we** recognise may only be recognised by **us** for certain types of **treatment** or treating certain medical conditions or certain levels of benefits
- the medical practitioners, other healthcare professionals and **recognised facilities** that **we** recognise and the type of medical condition and/or type of **treatment** and/or level of benefit that **we** recognise them for can change from time to time.

Your **treatment** costs are only covered when:

- the person who has overall responsibility for your **treatment** is a **consultant**. If the person who has overall responsibility for your **treatment** is not a **consultant** then none of your **treatment** costs are covered – the only exception to this is where a **GP** refers you (or where **we** refer you when **we** have told you that a **GP** referral is not required for your condition) for **out-patient treatment** by a **therapist, complementary medicine practitioner or mental health and wellbeing therapist**
- the medical practitioner or other healthcare professional and the **recognised facility** are recognised by **us** for treating the medical condition you have and for providing the type of **treatment** you need
- if the Open Referral Service applies to your cover, you use the medical providers and treatment facilities **we** refer you to when **we** pre-authorise your **treatment** (see below).

Important

If the Open Referral Service does not apply to your cover, you should always call **us** before arranging any **treatment** to check your **benefits** and whether your chosen medical practitioner or other healthcare professional or **recognised facility** is recognised by **us** for both treating the medical condition you have and for providing the type of **treatment** you need. Any **treatment** costs you incur that are not covered under your **benefits** are your responsibility.

If the Open Referral Service applies to your cover you must obtain an 'open referral' from your **GP** and you must call **us** before arranging or receiving any **treatment**. **We** will confirm the medical providers or treatment facilities you must use. Failure to call **us** to obtain pre-authorisation for your **treatment** means that you will be responsible for paying for all such **treatment**.

Please see the 'Cover option' section of your **membership certificate** – it will state 'Open Referral' if the Open Referral Service applies to your cover.

Reasonable and customary charges

We only pay **eligible treatment** charges that are reasonable and customary. This means that the amount you are charged by medical practitioners, other healthcare professionals and/or treatment facilities and what you are charged for have to be in line with what the majority of **our** other members are charged for similar **treatment** or services.

If your **consultant** refers you to a medical or health practitioner who is not a **therapist we** may pay the charges as if the practitioner were a **therapist** if all of the following apply:

- your **consultant** refers you to the practitioner before the **out-patient treatment** takes place and remains in overall charge of your care, and
- the practitioner has applied for **Bupa** recognition and **we** have not written to say he/she is not recognised by **Bupa**.

If your **benefits** include cover for **cancer treatment** and your **treatment** does include **eligible treatment** for **cancer we** only pay **consultant** physicians' fees if the attendance of a **consultant** physician is medically necessary because of your **eligible treatment** for **cancer**, for example, if you develop an infection that requires **in-patient treatment**.

Benefit 3 Recognised facility charges

This benefit 3 explains the type of facility charges **we** pay for **eligible treatment**. The benefits you are covered for, including your **facility access** and the amounts **we** pay are shown in your **membership certificate**. You are not covered for any benefits that are either shown on your **membership certificate** as 'not covered' or do not appear in your **membership certificate**.

Important: the **recognised facility** that you use for your **eligible treatment** must be recognised by **us** for treating both the medical condition you have and the type of **treatment** you need otherwise benefits may be restricted or not payable.

If the Open Referral Service does not apply to your cover, you should always call **us** before arranging any **treatment** to check whether your chosen treatment facility is recognised by **us** for both treating your medical condition and carrying out your proposed **treatment**.

If the Open Referral Service applies to your cover you must obtain an 'open referral' from your **GP** and you must call **us** before arranging or receiving any **treatment**. **We** will confirm the medical providers or treatment facilities you must use. If **we** do agree, **we** pay benefits for the **treatment** as if the treatment facility had been a **recognised facility**. When you contact **us** **we** will check your cover and help you to find a suitable alternative **Bupa** recognised treatment facility.

What is not covered

This section explains the **treatment**, services and charges that are not covered under Bupa Select. The exclusions are grouped under headings. In the exceptions where, as an example, **we** refer to specific treatments or medical conditions these are examples only and not evidence that it is covered under your **benefits**.

This section does not contain all the limits and exclusions to cover. For example the benefits set out in the section 'Benefits' also describe some limitations and restrictions for particular types of **treatment**, services and charges. There may also be some exclusions in your **membership certificate**.

This section does not apply to Cash benefits CB2 to CB5 as set out in the section 'Cash benefits'.
