

Making it easy to access cover and benefits online

Introducing Bupa Touch

Helping your team keep track of their cover in a few clicks

Bupa Touch makes it simple for employees to manage their health cover. They'll have easy access to their claims history, policy documents and treatment information. Plus, their everyday wellbeing benefits are at their fingertips. It means they're getting the best out of their cover, which makes for a healthier, happier team.

A simple onboarding process for your team

- Register via Bupa's invite email or go online at bupa.co.uk/touchdashboard
- Create an account using personal details as they appear on cover documents
- Go through multi-factor authentication
- Once in, cover and benefits can be found all in one place

See all cover details and documents

Employees can see what they're covered for at a glance, update personal details and make changes quickly.

Check claims history

We've added claims history to Bupa Touch to give easy access to past claims, making all documents and claims details easily accessible.

Request treatment at any time

Use Bupa Touch to ask for help or to see a consultant.

There's no need to phone and it isn't always necessary to see a GP first.*

Chat to a nurse 24 hours a day

If an employee is worried about their health, or about their child's, they can speak to one of our nurses anytime, night or day, 365 days a year.

Download Bupa Touch from the App Store or Google Play
