[^]Click and collect private prescriptions can usually be picked up within 60 minutes from your chosen pharmacy, depending on your pharmacy opening hours. You can collect over the weekend at selected pharmacies.

[†]Prescription delivery is available Monday to Saturday – same day delivery in Greater London and next day delivery in the rest of the UK if you select before 5pm. The cost is paid for by the individual as this is a private prescription.

Business benefits.

Present

Employees don't need to visit the doctor anymore to check out a health worry. They can find a private space at work or at home and have a consultation.

Productive

Because Bupa Blua Health is so convenient, employees are more likely to check out any worries sooner rather than later. This can help maintain good health.

Engaged

Having a health worry on your mind can be a distraction. Bupa Blua Health can provide fast answers, allowing your employees to get back to what they do best sooner.

Employee benefits.

Fast

We aim to provide access to appointments in 24 hours.

Convenient

Employees can get health advice wherever they are – even if it's at home in bed.

Confidential

All conversations are completely private and any medical records that are stored in the app are secure and password protected.

Please note: customers who live in the Isle of Man cannot access Bupa Blua Health, but instead can access GP24 provided by HealthHero. Speak to your Bupa representative for further information.
