Consultant and Facilities Finder

The right support, first time

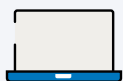

Finder is our time-saving search tool that puts all Bupa-recognised consultants, therapists and facilities together in one place.

It allows employees to make an informed decision about where to go and who to see for their treatment.

It means your team can access the right support, first time. Improving outcomes and helping them get back to their best quicker for you.

Employees can use Finder to:

Search for a Bupa-recognised consultant, hospital, dental clinic or healthcare service. Either by name, postcode or specialty.

View a specialist's location, experience, qualifications and contact information.

Over 19,500 consultants and 1,013 facilities, as well as over 360 Bupa-owned dental practices across the UK (correct as of January 2023).

See which consultants are fee assured. This means they'll charge within our benefit limits for eligible treatment, so there won't be any unexpected bills.
