

Your Application/ Amendment Form

Bupa By You

Moratorium

For the customer to complete

Moratorium

When you apply for a policy, we don't look at your or any of your dependants' (if any) medical history. Instead, when you or they claim for a condition you or they had in the five years before your or their Bupa cover began, it will only be covered after you or they have been on your policy for two consecutive years without having any symptoms, treatment, medication or advice for the condition. If you claim, we may ask you for more information about the history of your symptoms, so we can confirm it's covered by your policy. We may also need details from your doctor and they may charge for this. If so, you'll need to pay for this yourself.

Please use this form to tell us about your details, and the details for anyone else you want to add to your cover (a dependant).

- You can complete this form on a computer or use a paper copy and write in capital letters and black ink.
- Give as much detail as you can and check all answers are correct to the best of your knowledge.
- If the answers are about a dependant (your partner and any child you or your partner are responsible for and who is covered on your policy and named on your membership certificate), check with them to make sure the information you're providing is correct.
- Read the privacy notice on page 8 to see how we use your information. Please give a copy of this to any dependants covered on your policy.
- Sign and date the form in black ink.

Where to send your completed form

Please pass the completed form to your intermediary.

Once we have received and processed your application, we'll send you a welcome pack.

Need to know

If there's reasonable evidence that you or a dependant didn't take reasonable care answering our questions, your policy may be cancelled, treated as if it never existed, or your claims may not be paid.

5. Paying for your cover

Premium quoted £

Payment is made by monthly Direct Debit. Please make sure you complete the Direct Debit instruction on page 9.

When would you like your cover to start?

Please note: although we will try to start your cover on the above date, this cannot be guaranteed. Your start date will be confirmed on your membership certificate. We won't backdate start dates to a date before we receive the application.

6. Medical reports – when we need more information from your doctor

We may need to ask your doctor for information about your consultation, tests, or treatment to see if your policy covers these. We'll need your permission to do this, and you have certain rights when it comes to your personal and medical information:

- you can give your doctor permission to send us a medical report without you seeing it first or ask to see it before they send it to us
- you can ask your doctor to show you the medical report before they send it to us so long as you do this within 21 days from the date we ask them for it
- if you don't contact your doctor within 21 days, we will ask them to send the report straight to us
- you can ask your doctor to change the report if you think it's inaccurate or misleading - if they refuse, you can add your own comments to it before they send it to us
- once you've seen the report, your doctor can't send it to us unless you give them permission to do so
- you can ask your doctor not to send us the medical report - if this happens, we may be unable to tell you whether your consultation, test or treatment is covered, and we may be unable to pay your claim
- you can ask your doctor to let you see a copy of your medical report within six months of it being sent to us
- your doctor can withhold some or all the information in the report if they believe the information:
 - might cause you or someone else physical or mental harm, or
 - would reveal someone else's identity without their permission (unless the person is a healthcare professional, and the information they provide is about your care)
- your doctor may charge a fee for a medical report – we'll let you know if we'll cover some of this cost – if not, you'll need to pay for it yourself.

There's more detail about your rights in **The Access to Medical Reports Act 1988** and **The Access to Personal Files and Medical Reports (NI) Order 1991**.

7. Your legal declaration

Important: please read this declaration carefully before signing and dating the completed form.

I confirm the following:

1. To the best of my knowledge and belief the information given in this form is true, accurate and complete. I understand that Bupa can end a person's policy or refuse to pay a claim in full or part if there is reasonable evidence that I or a dependant did not take reasonable care when providing any information requested in this form.
2. Where I have provided information on behalf of any other person to be covered on the policy, I confirm that I have checked with them that the information is correct before completing this form and I have their express agreement to submit this form on their behalf, or I am their legal representative.
3. I understand that my personal information and that of any other person to be covered on this policy will be processed by Bupa for the purposes set out in Bupa's privacy notice. I confirm that everyone to be covered has been shown Bupa's privacy notice.
4. I agree to be bound by the terms of this policy's terms and conditions (including in respect of those terms that apply to any other person to be covered on this policy). I agree that English law will apply to the policy terms and conditions.

It's essential that you take reasonable care to provide us with full, complete and accurate information when you complete this form. Please be sure to check the entire form.

If you don't provide complete information about yourself or anyone else covered under the policy, we may have the right to end your policy, or not pay all or part of a claim.

We recommend that you keep a record of all the information you provide to us in connection with this form, including letters.

If you would like a copy of this form, please ask us.

Obtaining medical reports from your doctor

- I understand that Bupa may need me to provide a medical report from my doctor to support my application, before treatment is authorised or a claim paid.
- I understand that Bupa will get my verbal or written permission before any medical report is requested in this way.
- I have shown this declaration to the other people to be covered on this policy. I confirm that they understand that Bupa will get their verbal or written permission before any medical report being requested in this way.
- I acknowledge the rights I have in relation to such reports as explained in section 6.

We'll verify your digital signature if you sign your form using an Adobe Digital ID or Adobe Sign (or similar). If you change your form after digitally signing it or send us a printed or scanned copy, then we'll be unable to do this. We'll call or write to you to confirm this is your signature instead. We'll be unable to tell you what you're covered for until we've verified your signature, and it might take us longer to pay any claims.

Privacy notice – in brief

We are committed to protecting your privacy when dealing with your personal information. This privacy notice provides an overview of the information we collect about you, how we use it and how we protect it. It also provides information about your rights. The information we process about you, and our reasons for processing it, depends on the products and services you use. You can find more details in our full privacy notice, which is available at bupa.co.uk/privacy. If you do not have access to the internet and would like a paper copy, please write to **Bupa Privacy Team, Bupa, 1 Angel Court, London EC2R 7HJ**. Information about us

In this privacy notice, references to 'we,' 'us' or 'our' are to Bupa. Bupa is registered with the Information Commissioner's Office, registration number Z6831692. Bupa is made up of a number of trading companies, many of which also have their own data-protection registrations. For company contact details, visit bupa.co.uk/legal-notice

1. Scope of our Privacy notice

This privacy notice is for anyone who buys, uses, or contacts us about our products and services ('you', 'your'), in any way (for example, email, website, phone, app and so on).

2. How we collect personal information

We collect personal information from you when you get in touch with us and from certain other organisations (those acting on your behalf, for example, brokers, healthcare providers and so on). If you give us information about other people, you must make sure that they have seen a copy of this privacy notice and are comfortable with you giving us their information.

3. What personal information we collect

We process the following categories of personal information about you and, if it applies, your dependents. This is standard personal information (for example, information we use to contact you, identify you or manage our relationship with you), special categories of information (for example, health information, information about race, ethnic origin and religion that allows us to tailor your care), and information about any criminal convictions and offences (we may get this information when carrying out anti-fraud or anti-money-laundering checks, or other background screening activity).

4. How we use the personal information we collect

We process your personal information for the purposes set out in our full privacy notice, including to deal with our relationship with you (including for claims and handling complaints), for research and analysis, to monitor our expectations of performance (including of health providers relevant to you) and to protect our rights, property, or safety, or that of our customers, or others. The legal reason we process personal information depends on what category of personal information we process. We normally process standard personal information on the basis that it is necessary so we can perform a contract, for our or others' legitimate interests or it is needed or allowed by law. We process special categories of information because it is necessary for an insurance purpose, because we have your permission or as described in our full privacy notice. We may process information about your criminal convictions and offences (if any) if this is necessary to prevent or detect a crime.

5. Marketing and preferences

We may use your personal information to send you marketing by post, phone, social media, email, and text. We only use your personal information to send you marketing if we have either your permission or a legitimate interest. If you don't want to receive personalised marketing about similar products and services that we think are relevant to you, please contact us at

optmeout@bupa.com or write to **Bupa Data Protection, 1 Angel Court, London EC2R 7HJ**.

6. AI, Profiling and Automated decision-making

Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent, and fair service, as well as with marketing information we think will interest you (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

7. Sharing your information

We share your information within the Bupa group of companies, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example, brokers and other intermediaries) and with others who help us provide services to you (for example, healthcare providers) or who we need information from to handle or check claims or entitlements (for example, professional associations). We also share your information in line with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.

8. Cookies

When you use our websites and apps, we and third-party companies use cookies and similar technologies to collect information.

9. Transferring your personal information abroad

We work with companies that we partner with, or that provide services to us (such as healthcare providers, other Bupa companies and IT providers) that are located in, or run their services from, countries across the world. As a result, we transfer your personal information to different countries including transfers from within the UK to outside the UK, and from within the EEA (the EU member states plus Norway, Liechtenstein, and Iceland) to outside the EEA, for the purposes set out in this privacy notice. We take steps to make sure that when we transfer your personal information to another country, appropriate protection is in place, in line with global data protection laws.

10. How long we keep your information for

We keep your personal information in line with set periods. We typically keep personal information for seven years after you stop being a customer.

11. Your rights

You have rights to have access to your information and to ask us to correct, erase and restrict use of your information. You also have rights to object to your information being used; to ask us to transfer information you have made available to us; to withdraw your permission for us to use your information; and to ask us not to make automated decisions which produce legal effects concerning you or significantly affect you. Please contact us if you would like to exercise any of your rights.
