

# Bupa policy guide

## Bupa Select

This guide together with your membership certificate shows the full terms of your health insurance cover.

# Introduction

## Your Bupa Select health insurance

There are three documents which set out full details of how your health insurance works:

- **this policy guide** which contains the general terms and all the possible cover for Bupa Select policies
- ***your membership certificate*** which shows your specific cover and ***allowances***, and is personal to you
- any ***confirmation of special conditions*** if any ***special conditions*** apply, for ***you*** or your ***dependant*** (if any).

Although they're separate documents, they should be read together. Each ***year***, we'll send you updated documents which apply from your latest ***cover start date***.

### Need to know

This policy guide contains all the possible cover under Bupa Select. Your ***membership certificate*** shows the cover that your ***group*** has selected and that is available to you. This means you may not have all the cover set out in this policy guide.

Some words in this guide are in ***bold italics***. This is because they have a specific meaning which we explain on pages 45 to 51.

References to 'we', 'our' and 'us' mean Bupa Insurance Limited, registered in England and Wales with registration number 3956433 and registered office at 1 Angel Court, London, EC2R 7HJ.

Always get in touch with us before you have any consultations, tests or ***treatment*** to check that they're covered by your policy.

## HealthLine services

Our HealthLine services are available to all our customers and are free to use.

### Bupa Anytime HealthLine<sup>§</sup>

If you have any health questions or concerns you can call our confidential Bupa Anytime HealthLine on **0345 604 0537\***

You can speak to our qualified nurses anytime of the day or night. They have practical, professional experience and skills to help.

### Family Mental HealthLine<sup>§</sup>

If you're a parent or care for a young person and are concerned about their mental wellbeing, our confidential Family Mental HealthLine can provide advice, guidance and support. A trained adviser and/or mental health nurse will give you advice about what to do next. You can call our Family Mental HealthLine on **0345 266 7938\*** between 8am and 6pm, Monday to Friday. You can use this service even if the young person isn't covered under your policy.

### Menopause HealthLine<sup>§</sup>

You, or anyone covered on the policy, can talk to one of our menopause trained nurses. They'll offer advice, guidance, and support, even if you're unsure if you're menopausal. This includes support that you can give to a partner who may be going through the menopause. You can call our Menopause HealthLine on **0345 608 9984\*** between 8am and 8pm, every day.

\*We may record or monitor our calls.

<sup>§</sup>Bupa Anytime HealthLine, Family Mental HealthLine and Menopause HealthLine are not regulated by the Financial Conduct Authority or the Prudential Regulation Authority.

# How to get treatment and claim

We're here to help.

## If it's about:

- **Cancer**
- Muscles, bones and joints
- Mental health

use our Direct Access service.

This means you can call us about your symptoms without needing a referral from a **GP**. We'll provide support, advice, and a referral for consultations, tests or **treatment** if you need them.

You can find more information on the next page.

If you prefer, see a digital **GP** or your own **GP**.

## If it's about anything else:

You'll first need to book one of our free digital **GP** appointments or see your own **GP**. If you need a consultation, tests or **treatment**, ask the **GP** for an open referral and contact us. We can then help you find a **consultant** or healthcare professional covered by your policy.

We may also accept referrals from other healthcare professionals, find out more at [bupa.co.uk/referrals](https://bupa.co.uk/referrals)

## Important information about your cover and any claims

For **treatment** to be covered it needs to be:

- shown as covered on your **membership certificate**, and
- shown as covered by a tick in this policy guide, and
- **eligible treatment**, and
- not shown as excluded by a cross in this policy guide.

It's also really important that you follow the process and requirements in this policy guide otherwise we may be unable to pay your claim.

Here are the general conditions which always apply to your cover and any claims. They're part of your **group's agreement** with us.

### Need to know

**Any treatment that takes place after the date your policy ends, isn't covered, even if it's been pre-authorised. You'll be responsible for paying for this.**

## Direct Access to treatment and care

You don't always need to see a **GP** before contacting us. With our Direct Access service you can call us if you're worried about **cancer**, mental health or muscle bone and joint problems. We'll provide support, advice and a referral for consultations, tests or **treatment** if you need them.

If you have a **GP** referral, we may also offer you a phone or video assessment with a healthcare professional who specialises in your condition to explore all your **treatment** options.

If you have a Direct Access phone or video assessment you won't need to pay an excess for it and the cost won't be subtracted from your **out-patient** benefit **allowance** (if either of these apply to your policy). If our Direct Access service refers you for a consultation, tests or **treatment** you may be able to claim for that consultation, test or **treatment** and we'll explain how to do this after your assessment.

You can find more information about our Direct Access service at [bupa.co.uk/direct-access](https://bupa.co.uk/direct-access)

## Open referral

If you see a **GP** and you need a consultation, tests or **treatment**, ask for an open referral. This means, your **GP** recommends the type of specialist you need to see instead of naming a specific specialist. When you contact us, we'll use your **GP's** speciality recommendation to help you choose a **fee-assured consultant** or healthcare professional covered by your policy.

### Need to know

Your **membership certificate** will show if **guided care** applies to you in the **group** details section under facility access.

Customers with the **guided care** option need to follow these steps:

- ask for an open referral from a **GP** or our Direct Access service (if this is available for your condition), and
- contact us before arranging any consultations, tests or **treatment** for pre-authorisation, and
- if you need to see a **consultant**, they need to be in our open referral network - when you contact us, we'll help you find one.

For anyone aged 17 or under, please ask the **GP** for a named referral.

## Before you arrange consultations, tests or treatment

### Pre-authorisation

It's important that you contact us before arranging any consultations, tests or **treatment** or care so we can:

- confirm whether the consultation, test or **treatment** is **eligible treatment** and if it's covered by your policy, and
- confirm the **consultants**, healthcare professionals, hospitals or clinics covered by your policy, and
- let you know how to claim for NHS cash benefits or health expenses benefits, if these are covered (see page 23–25 for more information about these benefits), and
- give you a pre-authorisation number.

We may ask you for information about the history of your symptoms, including details from your **GP** or **consultant**.

You can then contact the **consultant**, healthcare professional, hospital or clinic to arrange an appointment. You'll need to give them your pre-authorisation number so we can pay them for your **treatment** covered by your policy. We will write to the **main member** or **dependant** having **treatment** (when aged 16 or over), when there is an amount for them to pay in relation to any claim (for example if they have an excess amount to pay) and who payment should be made to.

### Need to know

If you don't get pre-authorisation from us, you'll be responsible for paying all **treatment** that we wouldn't have pre-authorised.

## Cover for people aged 17 or under

We always need a named referral for a paediatric **consultant**. If someone aged 17 or under who is covered on your policy needs to see a **consultant**, please ask their **GP** for a named referral, and not an open referral. Some private hospitals don't provide services for children or have restricted services available, and **treatment** may be at an **NHS** hospital. Please visit [finder.bupa.co.uk](http://finder.bupa.co.uk) to see paediatric services available in your area and contact us before any consultations, tests or **treatment** so we can confirm that these are covered.

## The consultants, healthcare professionals, hospitals and facilities that your policy covers

Your policy covers certain **Bupa** recognised **consultants**, healthcare professionals and **recognised facilities**:

- the **recognised facility, consultant** or the healthcare professional must be recognised by us for treating the medical condition you have, and for providing the type of **treatment** you need on the date you receive that **treatment**
- if you need **in-patient treatment** and/or **day-patient treatment** the **recognised facility** must be part of the **facility access** list which applies to your cover and is shown on your **membership certificate**
- the person who has overall responsibility for your **treatment** must be a **consultant** unless a **GP** or our Direct Access service refers you for **out-patient treatment** by a **therapist, complementary medicine practitioner** or **mental health and wellbeing therapist**.

## Need to know

For customers with the **guided care** option - any **consultant** you see needs to be in our open referral network.

## What we pay consultants for treatment in hospital

We pay **consultant** fees for **treatment** in hospital up to the amounts shown in our **schedule of procedures**. The schedule can be found at [bupa.co.uk/codes](http://bupa.co.uk/codes)

If you see a **consultant** who doesn't charge within our rates, you may need to pay the difference.

## Reasonable and customary charges

We only pay reasonable and customary charges for **eligible treatment**. This means that the amount we will pay **consultants**, healthcare professionals, hospitals and facilities will be in line with what majority of our members are charged for similar **treatment** or services.

There may be another proven **treatment** which is available in the **UK** for a condition, that costs more than the **treatment** that the majority of our customers have. Where this doesn't provide a better clinical outcome, we will only pay what the majority of our customers are charged for similar **treatment** or services.

## Excess

You can find details of any excess the **group** has decided may apply to your policy on your **membership certificate**, including:

- the amount
- who it applies to, and
- when it will apply.

## How an excess works

Having an excess means that for each policy year you must pay part of any **treatment** costs covered by your policy up to the excess amounts.

Your excess renews at the beginning of each policy year even if you're mid way through **treatment**. So, your excess could apply twice to a single course of **treatment** if your **treatment** begins in one policy **year** and continues into the next policy **year**.

If there's an excess to pay, we'll write to **you** or the **dependant** having **treatment** (if they're aged 16 or over). We apply your excess in the order in which we receive your claims. Once you've paid the full excess amount, you won't have to pay it for any more **treatment** you claim for during that policy **year**. You don't have to pay the excess if you're claiming for cash benefits or health expenses benefits (see pages 23-25). We'll let you know which **consultant**, healthcare professional, hospital or clinic you need to pay your excess to.

## Need to know

When you claim for treatment costs where an allowance applies, your excess will count towards the total **allowance** for that **benefit**.

## Here's an example of how an excess works

Helen's policy has a £50 excess. Helen has some physiotherapy which costs £250. We pay Helen's physiotherapist £200 and we'll let Helen know that she needs to pay the physiotherapist £50 (which is the policy excess). If Helen needs other **treatment** during the policy **year**, she doesn't need to pay another excess. When Helen's policy renews, the excess will also renew.

## Need to know

You should always claim for **eligible treatment** even if it costs less than your excess. Otherwise, if you need to claim again, your remaining excess may be higher than it would have been.

## If you'd like to withdraw a claim

Please call your Bupa helpline and let us know as soon as possible. If you withdraw a claim you'll need to pay for all your **treatment**. It's not possible to withdraw a claim we've already paid.

## Treatment or costs not covered by your policy

You're responsible for paying for any consultations, tests, **treatment** or costs that aren't covered by your policy.

## Other insurance cover

You cannot claim more than once for the same private medical expenses. This means that if you have two policies that provide private medical cover, the costs of your treatment may be split between Bupa and the other insurance company. You will be asked to provide us with full details of any other relevant insurance policy at the time of claim.

## The 'Six-week scheme'

Your **membership certificate** will show if you have a Six-week scheme.

The Six-week scheme means that, if the **NHS** cannot offer the eligible **day-patient** or **in-patient treatment** including diagnostic procedures (for example an endoscopy) you need within six weeks of a **consultant** saying that you need it, your policy will cover the cost of you having your **treatment** privately.

## Need to know

- your **consultant** must confirm to us each time you need **day-patient** or **in-patient treatment** which isn't available via the **NHS** within six weeks
- if the eligible **day-patient** or **in-patient treatment** including diagnostic procedures (for example an endoscopy) you need is available via the **NHS** within six weeks, your policy won't cover the cost of you having your **treatment** privately
- the Six-week scheme doesn't apply to **out-patient treatment** – this means any eligible private **out-patient treatment** you need will be covered in line with your policy terms
- **NHS** cash benefits aren't covered on the Six-week scheme.

## For example:

Jack's **consultant** tells him on 1 July that he needs to have an **operation**. He finds that the **operation** isn't available on the **NHS** until 30 October at the earliest. As this is more than six weeks after his **consultant** says he needs the **operation** and it's for **eligible treatment**, Jack can have it privately and the costs will be covered by his policy. If Jack could have had his **operation** in the **NHS** between 1 July and 12 August, his Six-week scheme means we wouldn't have covered the cost of him having it privately.

## Providing us with information

We may need some information from you to help us with your claim. For example:

- medical reports and other information about the **treatment** you're claiming for
- the results of any independent medical examination which we may ask you to have (which we'll pay for)
- original unaltered invoices for your claim (including any **treatment** costs covered by your excess).

We may be unable to review or pay your claim without this information.

## Medical reports

- we may need to ask your doctor for information about your consultation, tests or **treatment** to see if your policy covers these – we'll need your permission to do this and you have certain rights when it comes to your personal and medical information
- you can give your doctor permission to send us a medical report without you seeing it first, or you can ask your doctor to show you the medical report before they send it to us so long as you do this within 21 days from the date we ask them for it
- if you don't contact them within 21 days we'll ask them to send the report straight to us
- you can ask your doctor to change the report if you think it's inaccurate or misleading – if they refuse, you can add your own comments to it before they send it to us
- once you've seen the report, your doctor can't send it to us unless you give them permission to do so
- you can ask your doctor not to send us the medical report – if this happens, we may be unable to tell you whether your consultation, test or **treatment** is covered and we may be unable to pay your claim
- you can ask your doctor to let you see a copy of your medical report within six months of it being sent to us
- your doctor can withhold some or all the information in the report if they believe the information:
  - might cause you or someone else physical or mental harm, or
  - would reveal someone else's identity without their permission (unless the person is a healthcare professional, and the information they provide is about your care)
- your doctor may charge a fee for a medical report – we'll let you know if we'll cover some of this cost – if not, you'll need to pay for it yourself.

There's more detail about your rights in **The Access to Medical Reports Act 1988** and **The Access to Personal Files and Medical Reports (NI) Order 1991**.

# Underwriting

Insurance companies look at the risk of insuring someone before a policy starts. This is known as underwriting. Your **membership certificate** shows the type of underwriting your **group** has chosen to apply to your policy.

## Need to know

- your policy covers you for future health risks
- any **special conditions**, **pre-existing conditions**, **moratorium conditions**, conditions, symptoms, illnesses or injuries you had before your policy started aren't usually covered
- where a **special condition** applies, we'll send a **confirmation of special conditions** to the **main member** or to the **dependant** if they're aged 16 or over
- if you need to claim, we may ask you for some information about your symptoms and when they started before we can pre-authorise any **treatment**.

## Types of underwriting and how they work

### Full medical underwriting

When **you** apply for a policy, we look at **your** and **your dependants'** (if any) medical history, and let you know which specific symptoms or conditions you had before aren't covered. It's important that you send us your completed application form so we can confirm what is and isn't covered by your policy.

Depending on your symptoms and how long you've been covered, when you contact us to claim, we may need to check that your symptoms or condition started after you joined the policy. We may also ask your doctor for more information, and they may charge for this. If your **treatment** is covered by your policy, you can claim £15 towards the cost of the medical report.

If you had a **previous policy** with another insurer that was a full medical underwriting policy, we may base your underwriting on your **previous policy** start date when you join us. We and your **group** need to agree to this, and there must be no break in your cover. We may need to review your medical history and let you know if there are any conditions that are not covered.

### Moratorium

When you apply for a policy, we don't look at **your** or any of **your dependants'** (if any) medical history. Instead, when **you** or they claim for a condition **you** or they had in the five years before **your** or their **Bupa** cover began, it will only be covered if you've not had any symptoms, **treatment**, medication or advice for the condition in the two consecutive years before the **treatment** you're claiming for starts. If you claim, we may ask you for more information about the history of your symptoms, so we can confirm it's covered by your policy. We may also need details from your doctor and they may charge for this. If so, you'll need to pay for this yourself.

## Moratorium switch

This applies when you switch your moratorium policy from another insurer to **Bupa** and your cover is uninterrupted. Your **moratorium start date** continues from your previous policy. When you switch to **Bupa**, we may need to review your medical history and let you know if there are any conditions that aren't covered.

## Medical history disregarded

When you apply for a policy, we won't look at your medical history so you or anyone else covered don't need to worry about any time periods during which you're unable to claim for certain conditions.

## Treatment needed because of someone else's fault

You may need to claim for **treatment** you need because of an injury or medical condition that was caused by someone else (a 'third party') or was their fault. This could be due to a road accident, an injury or potential clinical negligence. If this happens you should let us know as soon as possible as we'll need to recover costs we've paid for your **treatment** from the third party. This won't reduce the amount you can recover from the third party.

If this applies to you:

- tell us as soon as you know you need (or may need) **treatment** that was caused by a third party or was their fault – you can call us on **0800 028 6850\*** or email us at **infothirdparty@bupa.com<sup>^</sup>**
- inform your solicitor, insurer or representative (if using one) that you have Bupa health insurance that may have covered some of the costs
- provide us with your solicitor's, insurer's and/or representative's details and give us your permission to contact them
- help us to recover the cost of the **treatment** we paid for from the third party by doing as we ask – this includes making sure we can communicate with you and your legal representative (if you appoint one) about this, and that you or your legal representative regularly keep us updated on progress with any recovery action
- ask your solicitor, insurer or representative to include in your claim all the costs we've paid for your **treatment**, including 8% interest for each year
- make sure that if you agree settlement with a third party, it includes the full cost of your **treatment** that we've paid for, and that you pay this amount (and any interest) to us as soon as possible.

## Need to know

Your policy has some restrictions. It's important that you read the sections about what is and isn't covered. Anything in the 'What isn't covered' section applies to your cover unless it says otherwise.

\*We may record or monitor our calls.

<sup>^</sup>If you need to send us sensitive information you can email us securely using Egress. For more information and to sign up for a free Egress account, go to <https://switch.egress.com>. You will not be charged for sending secure emails to a Bupa email address using the Egress service.

# What isn't covered

This section explains the type of **treatment**, services and charges which aren't covered by your policy and the exceptions when cover is available. The 'What is covered' section of this policy guide, your **membership certificate** and any **confirmation of special conditions** will also show any **treatment** or conditions that aren't covered. This section doesn't apply to benefits CB2 to CB5.

**Mental health treatment** for or related to **special conditions, pre-existing conditions** and **moratorium conditions** isn't covered. **Mental health treatment** related to anything else in this section is covered as set out in 'Mental health treatment' (Benefit 5).

Exclusion	Description	Cover
<b>1 Ageing, menopause and puberty</b>	<b>Treatment</b> to relieve symptoms linked to the body's natural changes, such as ageing, menopause or puberty, and not due to any disease, illness or injury, isn't covered. For example, acne which is caused by natural hormonal changes.	✗
	<b>Exception: eligible treatment</b> of an <b>acute condition</b> that develops during menopause, such as heavy bleeding (menorrhagia) or urinary incontinence, is covered in line with the other policy terms.	✓
<b>2 Accident and emergency treatment</b>	<b>Treatment</b> , including immediate care, provided by an <b>NHS</b> or private accident and emergency (A&E) department, urgent care or walk-in clinic isn't covered.	✗
	<b>Treatment</b> following an admission to hospital via an <b>NHS</b> or private A&E department, urgent care centre or walk-in clinic isn't covered.	✗
	<b>Exception: eligible treatment</b> with a consultant in a <b>recognised facility</b> after you're no longer being treated in an A&E department, urgent care or walk-in centre is covered. <b>Need to know</b> When this happens, you should contact us as soon as possible before you receive any <b>treatment</b> , to confirm whether it's covered.	✓

# How your health insurance policy works

## The agreement between your group and us

Your cover is provided by a **group** policy. This is governed by the **agreement** and terms and conditions of your cover which your **group** and **Bupa** have agreed. Only the **group** and **Bupa** have legal rights under the **agreement**. There's no legal contract between you and **Bupa** for your cover. However, if you're a **contributing member** you will have legal rights as set out under 'Contributing members' in this section.

## The documents that set out your cover

There are three documents which set out full details of how your health insurance works under the **agreement**:

- this **policy guide** which contains details about the general cover for you and anyone else on your policy, and
- your **membership certificate** which shows your specific cover and **allowances** and is personal to you, and
- a **confirmation of special conditions** (if any apply) to the **main member** or to the **dependant** when they are aged 16 or over.

Although they're separate documents, they should be read together as a whole. Each year, we'll send you a **membership certificate** and a policy guide, both of which apply from your latest **cover start date**.

## Need to know

This policy guide contains all the possible cover under Bupa Select. Your **membership certificate** shows the cover that your **group** has selected and that is available to you. This means you may not have all the cover set out in this policy guide.

## Payment for treatment

Your policy pays for **treatment** you have on the date the **treatment** takes place while you're covered under the **agreement**. We only pay **benefits** in line with the cover that applies to you on the date the **treatment** takes place. It doesn't cover any **treatment**, that takes place after the date your cover ends even if we've pre-authorized it.

When you receive private medical **treatment** you have a contract with the providers of your **treatment**. You are responsible for the costs you incur in having private **treatment**. However, we pay the costs that are covered under your policy. If your **treatment** isn't covered by your policy, you'll be responsible for paying the costs of that **treatment** to your treatment provider.

We don't provide private **treatment** or any other clinical services that are covered by your policy. In many cases we have agreements with **consultants**, healthcare professionals, hospitals and clinics for how much they charge our customers for **treatment** and how we pay them. We'll usually pay the **consultants**, healthcare professional, hospital or clinic directly for your **treatment**. Otherwise we'll pay the **main member**. We'll write to the **main member** or **dependant** having **treatment** (when aged 16 or over), when there is an amount for them to pay in relation to any claim (for example if they have an excess amount to pay) and who payment should be made to.

## Changes to lists

Where we refer to a list that we can change, it will be for one or more of the following reasons:

- where we are required to by any industry code, law or regulation
- where a contract ends or is amended by a third party for any reason
- where we elect to terminate or amend a contract, for example because of quality concerns or changes in the provision of facilities and/or specialist services
- where the geographic balance of the service we provide is to be maintained
- where effectiveness and/or costs are no longer in line with similar treatments or services, or accepted standards of medical practice, or
- where a new service, treatment or facility is available.

The lists that these criteria are applied to include the following:

- **advanced therapies**
- **appliances**
- **complementary medicine practitioners**
- **consultants**
- **critical care units**
- **fee-assured consultants**
- **medical treatment providers**
- **mental health and wellbeing therapists**
- open referral network **consultants**
- **prostheses**
- **recognised facilities**
- **schedule of procedures**
- **specialist drugs**
- **therapists.**

Please note that we cannot guarantee the availability of any facility, practitioner or **treatment**.

# When your cover starts, renews and ends

## Starting your cover

You can find your **cover start date** on your *membership certificate*. This applies to **you** and **your dependants**. **Your cover start date** and **your dependants cover start date** may be different.

Your cover under the **agreement** must be confirmed by the **group**.

## Cover for a newborn baby

Your newborn baby can be covered free of charge until your first policy **renewal date** after they're born so long as:

- **you** and/or **your partner** have been covered by the policy (or a **previous policy**) for at least 12 continuous months before the baby's birth, and
- **you** include your baby on your policy within three months of their birth.

If these apply, your baby's cover will start from the date they're born or your **cover start date** if this is later.

If your baby's cover would be as:

- full medical underwriting, they won't have any **special conditions** applied to their cover
- moratorium underwriting, the exclusion for **moratorium conditions** won't apply to their cover.

## Renewing your cover

The renewal of your cover depends on the **group** renewing its **group** policy.

If you're a **contributing member** please see 'Contributing members' in this section.

## How your cover can end

**You** or your **group** can end **your** cover (and the cover of anyone else included on your policy) at any time.

If you'd like to do this **you** must write to us. If **your** cover ends, so does the cover of everyone else on your policy. If you're a **contributing member** please see 'Contributing members' in this section.

**Your** cover and the cover for **your dependants** (if any) will automatically end if:

- the **agreement** is ended
- the terms of the **agreement** say that it must end
- the **group** doesn't pay premiums or any other payment due under the **agreement** for you or anyone else
- **you** stop living in the **UK** (**you** must let us know if **you** stop living in the **UK**), or
- **you** pass away.

Cover for a child **dependant** will automatically end on the first renewal date after their 30th birthday.

Cover for **your dependants** will automatically end if:

- **your** cover ends
- the terms of the **agreement** say that it must end
- the **group** doesn't renew the policy for **them**
- they stop living in the **UK** (**you** must let us know if they stop living in the **UK**), or
- they pass away.

If there's reasonable evidence that **you** or a **dependant** didn't take reasonable care answering our questions (by this we mean giving false information or keeping necessary information from us) then if this was:

- intentional, we may treat **your** and/or **your dependant's** cover as if it never existed and not pay all claims
- careless, then depending on what we would have done if **you** or they had answered our questions correctly, we may treat **your** and or **your dependant's** cover as if it never existed and refuse to pay all claims (in which case **you** may need to repay any claims we've paid and if you're a **contributing member** we'll return to the **group** any premiums you've paid in for **your** and/or **your dependant's** cover), change your or their cover, or reduce any claim payment.

### Continuing your cover if you leave your group policy

When **your** cover, or cover for **your dependants** (if any) ends, we may be able to offer a **Bupa** personal policy with no break in cover. This will depend on how long you or they have been a **Bupa** group scheme member. If you wish to transfer to a **Bupa** personal policy without any break in your cover, you must transfer within three months of the date your or their **Bupa** group scheme cover ends.

We can explain how to do this. Please call us on **0808 231 2974\*** to discuss the options available.

### Paying premiums and other charges

The **group** must pay to us premiums and any other payment due for **your** cover and anyone else on your policy. Children are charged the applicable adult premium from the first renewal date following their 24th birthday. Bupa Insurance Services Limited acts as our agent for arranging and administering your **policy** and collects premiums for the purpose of receiving, holding and refunding premiums and making claims payments.

If you're a **contributing member** please see 'Contributing members' in this section.

\*We may record or monitor our calls.

## Making changes to your policy

The terms and conditions of your policy, including your *benefits*, may be changed from time to time so long as we and the *group* agree.

No-one else is allowed to make or confirm any changes to your policy or your *benefits* on our behalf or decide not to enforce any of our rights. Equally, no change to your policy or your *benefits* will apply unless it is specifically agreed between the *group* and us and confirmed in writing.

If any changes to the terms and conditions of your policy, including your *benefits*, are agreed between the *group* and us, we'll let you know before the change happens. If *you* don't accept any of the changes *you* can end your policy by letting the group know within 28 days of either:

- the date when the change happens, or
- *you* being told about the change

whichever is later.

If you're a *contributing member* please see 'Contributing members' in this section.

## General information

### Change of address

*You* should let us know if *you* change *your* address.

### Documents and communications

We'll send:

- policy documents to the *main member*, and
- a *confirmation of special conditions* (if any apply) to the *main member* or to the *dependant* when they are aged 16 or over, and
- all claims correspondence to the *main member*, or to the *dependant* having *treatment* when they're aged 16 or over, and
- copies of any original documents you send us if you ask us to, because we're unable to return the originals, and
- an invitation to create a *Bupa* digital account when *you* or anyone covered who is aged 16 or over gives us their email address.

### Applicable law

The *agreement* is governed by English law.

### Private Healthcare Information Network

You can find independent information about the quality and cost of private treatment available from doctors and hospitals from the Private Healthcare Information Network: [www.phin.org.uk](http://www.phin.org.uk)

### Contributing members

This section only applies to *contributing members*.

The *group* must pay to us premiums and any other payment due for *your* cover, and that of *your dependants* and every other person covered under the *agreement*. *You* contributing to the cost of premiums for *you* and/or any of *your dependants* does not in any way affect the contractual position set out in the section 'The agreement between your group and us'.

If **you** pay for **your** cover, we will take it that we have received your contributions to the premiums the **group** has paid for you (eg by payroll deduction) once these are received by your **group**.

We'll send **you** the terms and conditions that will apply to **your** cover as soon as we can, and the **group** will let you know the amount you will need to contribute from the **cover start date** for the next membership **year**.

If **you** do not want **your** cover (and therefore the cover for **your dependants**) to renew at your **renewal date** **you** can let your **group** know at any time before the policy **renewal date**. The same applies if you want to remove a **dependant** from your policy.

If **you** wish to end **your** cover (and therefore that of **your dependants**) the following terms apply:

- **you** may end **your** cover (and therefore the cover of **your dependants**) by informing the **group** within 21 days of either:
  - the date **you** receive **your** terms and conditions (including **your membership certificate**) confirming **your** cover, or
  - **your cover start date**

whichever is the later. During this 21 day period if you have not made any claims we will refund to the **group** all of the premiums the **group** has paid for **you** for that **year**.

After this 21 day period **you** can end **your** cover (and therefore the cover of all **your dependants**) by informing the **group** at any time during the **year**. In which case we will refund to the **group** any premiums the **group** has paid for **you** that relate to the period after **your** cover ends

- **you** may end the cover of any **dependant** by informing the **group** within 21 days of either:
  - the date **you** receive **your** terms and conditions (including your **membership certificate**) confirming the cover for that **dependant**, or
  - the **cover start date** for that **dependant**

whichever is the later. During this 21 day period if no claims have been made in respect of that **dependant** we will refund to the **group** all of the premiums the **group** has paid for you that relate to that **dependant** for that **year**.

After this 21 day period **you** can cancel a **dependant's** cover by informing the **group** at any time during the **year**. In which case we will refund to the **group** any premiums the **group** has paid for **you** in respect of that **dependant** for the period after their cover ends.

**Your** cover, and **your dependants'** cover, will automatically end if the **group** doesn't pay the premiums or any other payments due under the **agreement**. However, **we'll** continue to pay claims covered by your policy if you can confirm (eg by providing a copy of your payslips) that **you** paid your contributions to your group.

Where we refund premiums paid for **you** or your **dependants** to the **group** **you** should ask the **group** administrator for a refund of **your** contributions.

# How to complain

We work hard to give our customers great service. Occasionally things go wrong and when this happens we'll do our best to put things right quickly.

# How we use and protect your information

## Privacy notice – in brief

We are committed to protecting your privacy when dealing with your personal information. This privacy notice provides an overview of the information we collect about you, how we use it and how we protect it. It also provides information about your rights. The information we process about you, and our reasons for processing it, depends on the products and services you use. You can find more details in our full privacy notice available at [bupa.co.uk/privacy](https://bupa.co.uk/privacy). If you do not have access to the internet and would like a paper copy, please write to **Bupa Data Protection, Willow House, 4 Pine Trees, Chertsey Lane, Staines-upon-Thames, Middlesex TW18 3DZ**. If you have any questions about how we handle your information, please contact us at [dataprotection@bupa.com](mailto:dataprotection@bupa.com)

### Information about us

In this privacy notice, references to 'we', 'us' or 'our' are to Bupa. Bupa is registered with the Information Commissioner's Office, registration number Z6831692. Bupa is made up of a number of trading companies, many of which also have their own data-protection registrations. For company contact details, visit [bupa.co.uk/legal-notice](https://bupa.co.uk/legal-notice)

### 1. Scope of our privacy notice

This privacy notice applies to anyone who interacts with us about our products and services ('you', 'your'), in any way (for example, email, website, phone, app and so on).

### 2. How we collect personal information

We collect personal information from you and from certain other organisations (those acting on your behalf, for example, brokers, healthcare providers and so on). If you give us information about other people, you must make sure that they have seen a copy of this privacy notice and are comfortable with you giving us their information.

### 3. Categories of personal information

We process the following categories of personal information about you and, if it applies, your dependants. This is standard personal information (for example, information we use to contact you, identify you or manage our relationship with you), special categories of information (for example, health information, information about race, ethnic origin and religion that allows us to tailor your care), and information about any criminal convictions and offences (we may get this information when carrying out anti-fraud or anti-money-laundering checks, or other background screening activity).

#### 4. Purposes and legal grounds for processing personal information

We process your personal information for the purposes set out in our full privacy notice, including to deal with our relationship with you (including for claims and handling complaints), for research and analysis, to monitor our expectations of performance (including of health providers relevant to you) and to protect our rights, property, or safety, or that of our customers, or others. The legal reason we process personal information depends on what category of personal information we process. We normally process standard personal information on the basis that it is necessary so we can perform a contract, for our or others' legitimate interests or it is needed or allowed by law. We process special categories of information because it is necessary for an insurance purpose, because we have your permission or as described in our full privacy notice. We may process information about your criminal convictions and offences (if any) if this is necessary to prevent or detect a crime.

#### 5. Marketing and preferences

We may use your personal information to send you marketing by post, phone, social media, email and text. We only use your personal information to send you marketing if we have either your permission or a legitimate interest. If you don't want to receive personalised marketing about similar products and services that we think are relevant to you, please contact us at [optmeout@bupa.com](mailto:optmeout@bupa.com) or write to **Bupa Data Protection, Willow House, 4 Pine Trees, Chertsey Lane, Staines-upon-Thames, Middlesex TW18 3DZ**

#### 6. Processing for profiling and automated decision-making

Like many businesses, we sometimes use automation to provide you with a quicker, better, more consistent and fair service, as well as with marketing information we think will interest you (including discounts on our products and services). This may involve evaluating information about you and, in limited cases, using technology to provide you with automatic responses or decisions. You can read more about this in our full privacy notice. You have the right to object to direct marketing and profiling relating to direct marketing. You may also have rights to object to other types of profiling and automated decision-making.

#### 7. Sharing your information

We share your information within the Bupa group of companies, with relevant policyholders (including your employer if you are covered under a group scheme), with funders who arrange services on your behalf, those acting on your behalf (for example, brokers and other intermediaries) and with others who help us provide services to you (for example, healthcare providers) or who we need information from to handle or check claims or entitlements (for example, professional associations). We also share your information in line with the law. You can read more about what information may be shared in what circumstances in our full privacy notice.

## 8. International transfers

We work with companies that we partner with, or that provide services to us (such as healthcare providers, other Bupa companies and IT providers) that are located in, or run their services from, countries across the world. As a result, we transfer your personal information to different countries including transfers from within the UK to outside the UK, and from within the EEA (the EU member states plus Norway, Liechtenstein and Iceland) to outside the EEA, for the purposes set out in this privacy notice. We take steps to make sure that when we transfer your personal information to another country, appropriate protection is in place, in line with global data-protection laws.

## 9. How long we keep your personal information

We keep your personal information in line with periods we work out using the criteria shown in the full privacy notice available on our website.

## 10. Your rights

You have rights to have access to your information and to ask us to correct, erase and restrict use of your information. You also have rights to object to your information being used; to ask us to transfer information you have made available to us; to withdraw your permission for us to use your information; and to ask us not to make automated decisions which produce legal effects concerning you or significantly affect you. Please contact us if you would like to exercise any of your rights.

## 11. Data protection contacts

If you have any questions, comments, complaints or suggestions about this notice, or any other concerns about the way in which we process information about you, please contact us at [dataprotection@bupa.com](mailto:dataprotection@bupa.com). You can also use this address to contact our Data Protection Officer.

You also have a right to make a complaint to your local privacy supervisory authority. Our main office is in the UK, where the local supervisory authority is the Information Commissioner, who can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF, United Kingdom. Phone: 0303 123 1113 (local rate).

# Financial crime and sanctions

## Financial crime

The *group* agree to comply with all applicable *UK* legislation relating to the detection and prevention of financial crime (including, without limitation, the Bribery Act 2010 and the Proceeds of Crime Act 2002).

## Sanctions

We will not provide cover and we shall not be liable to pay any claim or provide any benefit to the extent that such cover, payment of a claim(s) or *benefits* would:

- be in contravention of any United Nations resolution or the trade or economic sanctions, laws or regulations of any jurisdiction to which we are subject (which may include without limitation those of the European Union, the *United Kingdom*, and/or the United States of America); and/or
- expose us to the risk of being sanctioned by any relevant authority or competent body; and/or
- expose us to the risk of being involved in conduct (either directly or indirectly) which any relevant authority, banks we transact through, or competent body would consider to be prohibited.

Where any resolutions, sanctions, laws or regulations referred to in this clause are, or become applicable we reserve all of our rights to take all and any such actions as may be deemed necessary in our absolute discretion, to ensure that we continue to be compliant. You acknowledge that this may restrict, delay or terminate our obligations and we may not be able to pay any claim(s) in the event of a sanctions-related concern.
