**Bupa Be.Me app – a digital base**

- Create a health profile, set goals and access advice
- Build a unique health risk profile through a questionnaire – all based on clinically validated tools. From there, we’ll recommend a health focus
- Tailored wellbeing content, including bitesize videos
- Link devices and upload wearable data

**Face-to-face consultation with a health adviser**

- Lifestyle discussion to help them achieve their goals based on test results
- Mental health and wellbeing discussion
- Behaviour change coaching

**Ongoing health and wellbeing support**

- Two follow-up coaching calls with a lifestyle coach
- Call a nurse 24/7 through our Anytime HealthLine (12 months)
- 12 months access to online mental wellbeing programmes provided by SilverCloud Health
- 12 month’s free access to digital wellbeing

**Additional tests if clinically indicated:**

- Kidney, liver and thyroid function tests
- Vitamin D, coeliac test, ferritin, B12, folate
- Full blood count
- Resting heart activity (ECG, Kardia)

**Age restricted tests**

- PSA – prostate cancer blood test (Age 50 years plus)
- Cervical cancer screening test, with investigation if HPV detected (Age 25 years plus)
- Bowel cancer screening test, stool (Age 45 years plus)
