Helping you hold on to valuable talent

Losing valuable people isn't good for business. But personalised menopause support is.
The menopause support your team is looking for

Most people who experience the menopause do so during their working life. For some, symptoms can become so unmanageable, they’re forced to leave their job.

With our Menopause Plan, we’ll offer your employees tailored menopause support so they can feel confident managing symptoms. As a result, you’ve given them the power to perform at their best.
