Eligible treatment, benefits and limitations

Benefits Table

This Benefits Table sets out the type of *Benefits* and charges we pay for *Eligible Treatment*, and what we do not cover in relation to any particular Benefit. The General Exclusions section sets out the areas we do not cover and in some cases the related exceptional circumstances in which we do provide cover. This Table forms part of the Bupa By You Health Insurance Agreement.

Important Information

1. At the *Cover Start Date* you must have been registered continuously with a *GP* for a period of at least six months, or have access to and be able to provide your full medical records in English.
2. Your *Membership Certificate* sets out the details of the cover you have chosen. We do not pay for any Benefit listed in this Table unless it is included on your *Membership Certificate*. We also do not pay for any personal travel and/or accommodation costs which are not expressly set out in your *Benefits*.
3. We only pay up to the limits stated on your *Membership Certificate* and subject to any excess stated on your *Certificate*. The limits may affect how much we pay for particular *Benefits* or to particular *Treatment* providers.
4. If your underwriting method shown on your *Membership Certificate* is:
 - **Underwritten:** we do not pay for *Treatment* for any Special Conditions detailed on your *Confirmation of Special Conditions* or any *Pre-existing Conditions*, see your *Membership Certificate* for more details including what we mean by Special Conditions. We will send a *Confirmation of Special Conditions* for anyone to whom a Special Condition applies.
 - **Moratorium:** we do not pay for *Treatment* for Moratorium Conditions, see your *Membership Certificate* for more details including what we mean by Moratorium Conditions.
5. You should always call us before arranging or receiving *Treatment* to check that you will be covered. The number to call us on can be found on your *Membership Certificate*.
6. All *Treatment* must be carried out in a *Recognised Facility* in the UK, and provided by a *Consultant*, medical practitioner or healthcare professional who is recognised by us for the *Treatment* you need on the date you receive that *Treatment*, unless we specifically authorise otherwise in a particular case. For example we may pay *Consultants' fees* for *Eligible Treatment* in a treatment facility that is not recognised by us when your proposed *Treatment* cannot take place in a *Recognised Facility* for medical reasons. However, you will need our agreement before the *Treatment* is received and we need full details from your *Consultant* before we can give our decision.

You can ask *us* whether at the time of your *Treatment*:

- a facility is a *Recognised Facility*
- a practitioner is a *Recognised Practitioner*
- a *Consultant*, medical practitioner or healthcare professional is recognised by *us* for remote consultations.

You can also access these details at finder.bupa.co.uk

7. If the *Treatment* you need is not available in the *UK* and would have been *Eligible Treatment* except for it not being available in the *UK*, we will pay you a contribution up to the cost that we would have paid to you to have the standard alternative *Treatment* available in the *UK*. Before the *Treatment* starts you must have *our* written confirmation that these criteria have been met and we need full clinical details from your *Consultant*, including confirmation that the *Treatment* is not available in the *UK*, before we can determine this. You will need to settle the claim direct to the medical provider or treatment facility yourself and submit your receipts to *us* before we reimburse you up to the level of the standard *Treatment* available in the *UK*. (See General Exclusion GE14 Experimental Drugs and Treatment.)
8. There must be a *Consultant* with overall responsibility for your *Treatment*, unless you are referred by:
 - a *Consultant*
 - *our* Direct Access service (see paragraph 2.2 in the Claiming section of this booklet for details of the Direct Access service)
 - a *GP* (including via a digital *GP* service), or
 - another healthcare practitioner (the situations in which we will accept such a referral are set out on bupa.co.uk/referrals)

for *Out-patient Treatment* carried out by a *Consultant*, *Therapist*, *Mental Health and Wellbeing Therapist* or other *Recognised Practitioner*.

9. We do not pay for *Treatment* of *Chronic Conditions*. However, we will pay for *Eligible Treatment* for an unexpected flare-up of acute symptoms of a *Chronic Condition* if the *Treatment* is likely to lead quickly to a complete recovery rather than prolonged *Treatment*. We do not pay for *Treatment* required due to the expected deterioration or flare up of a *Chronic Condition*. This includes conditions which have a relapsing-remitting nature and require management of recurrent flare-ups, for example, inflammatory bowel disease. In such cases, the flare-ups are an expected part of the normal course of the illness and therefore we do not consider them as acute complications of the disease.

See General Exclusion GE5 *Chronic Conditions*.

10. **Information about cover for children aged 17 or under:** Some private hospitals do not provide services for children or have restricted services available for children, so *Treatment* may be offered at an *NHS* hospital. You can ask *us* about *Recognised Facilities* where paediatric services are available or you can find them on finder.bupa.co.uk

Where *In-patient* or *Day-patient Eligible Treatment* is required, children are likely to be treated in a general children's ward. This is in line with good paediatric practice.

1.6.1 You can end your cover (which will also end the cover for your *Dependants*) or the inclusion of any of your *Dependants* at any time by calling *us* on **0345 609 0777** (*we* may record or monitor *our* calls) or writing to *us*: **Bupa, Bupa Place, 102 The Quays, Salford M50 3SP**. *We* will refund any subscriptions which relate to a period after the cover ends.

1.6.2 Your cover, and that of all your *Dependants*, will automatically end if

- you do not pay your subscriptions, or any other payment you have to make in respect of the cover, on or before the date they are due. In the event of your membership terminating as a result of your failing to pay subscriptions in respect of your membership, on the due date, *we* may at *our* sole discretion permit your membership and that of your *Dependants* to continue, on condition that the overdue subscriptions payable in respect of your membership are received by *us* within 30 days of the due date
- you stop being *Resident* in the *UK*, or
- *we* do not have the correct address for you, and *we* are unable to confirm your correct address after using reasonable efforts to do so, then *we* will cancel your policy at renewal as *we* will not be able to confirm that you still require cover
- you die.

1.6.3 A *Dependant's* individual cover will automatically end if:

- you tell *us* not to renew the cover of that *Dependant*
- the *Dependant* stops being *Resident* in the *UK*
- the *Dependant* dies.

It is your responsibility to tell *us* if any of these happen.

1.6.4 *We* can end a person's membership in the circumstances set out in 1.4 above.

1.6.5 *We* can cancel or refuse to renew a *Main Member's* or a *Dependant's* cover if, in *our* reasonable opinion, *our* relationship with that *Main Member* or *Dependant* has broken down. Such circumstances include but are not limited to:

- being abusive to *our* staff or providers
- issuing court proceedings entirely without merit
- any action which leads *us* to believe the member will not act in good faith in their dealings with *us*.

1.7 *We* can change these Terms, the amount of your subscriptions, any discount or preferential rates and the cover available to you and your *Dependants* or other terms of your membership, at your *Renewal Date*.

If your 'Underwriting method' on your *Membership Certificate* is 'Underwritten' *we* will not add any personal exclusions or restrictions to your cover for medical conditions that:

- start after your *Effective Underwriting Date*, so long as you gave *us* all the information *we* asked for before the *Effective Underwriting Date*
- start before your *Effective Underwriting Date*, where you gave *us* all the information *we* asked for and *we* accepted the condition.

If your 'Underwriting method' on your *Membership Certificate* is 'Moratorium' we will not add any personal exclusions or restrictions to your cover for medical conditions that start before your *Moratorium Start Date* where the requirements specified on your *Membership Certificate* have been met for that condition to be covered.

If we do make any changes, we will write to tell you at least 28 days before the *Renewal Date*. If you do not accept any of the changes you can cancel your Bupa By You health insurance policy within the later of:

- 28 days of the date on which the change takes effect, or
- 28 days of Bupa telling you about the change.

If you do end your membership within the 28 days we will treat the changes as not having been made.

1.8 At your *Renewal Date* you can ask us to:

- add, remove or change an excess, as explained on your *Membership Certificate*
- remove any Add-ons you have chosen
- change any of your cover options.

You may add *Dependants* to your cover at any time.

We will consider your request and we may not agree or, for an increase in cover, we may add restrictions before we agree. These changes may affect the subscriptions you have to pay.

Changes are not effective until we have confirmed them in writing.

You may tell us that you want your partner to have the authority to ask us to make changes.

1.9 You must call or write to tell us if you change your address or you stop (or any of your *Dependants* stops) being *Resident* in the UK.

1.10 Membership documents are sent to the *Main Member*. However, a *Confirmation of Special Conditions* will be sent, for anyone to whom a Special Condition applies, to the *Main Member* or to the *Dependant* when they are aged 16 or over. All claims correspondence is sent to the *Main Member*, or to the *Dependant* having the *Treatment* when they are aged 16 and over. When you send us documents, we cannot return the originals to you. However, we will send you copies if you ask us to do so at the time you give us the documents.

1.11.1 We may post any official communication (a notice) to you under your Agreement at the contact details we hold. Our communication will be effective on the second business day after posting.

1.11.2 Any official communication or request you send to us will only be effective when we receive it. We may agree that you can send us official communications or requests by email.

1.11.3 When you or any *Dependant* over 16 provides us with an email address, we will invite you or your *Dependant* by email to create a Bupa digital account.

1.12 This Agreement is governed by English law.

- 1.13 This Agreement is, and *our* marketing and other communications will be, in English. We will communicate with you in English throughout the period of the Agreement.
- 1.14 **Private Healthcare Information Network**
You can find independent information about the quality and cost of private treatment available from doctors and hospitals from the Private Healthcare Information Network: www.phin.org.uk

2. Claiming

2.1 Step by step guide to making a claim

Being referred for treatment

Your consultation or *Treatment* must follow an initial referral by:

- *our* Direct Access service. For details about cover for Direct Access and how it works see 2.2 Direct Access service in this section
- a *GP* (including via a digital *GP* service), or
- another healthcare practitioner. The situations in which we will accept such a referral are set out on bupa.co.uk/referrals

Step 1 Find out if the Direct Access service is available to you

It's available for certain medical conditions and has two parts to it:

- first you can contact *us* directly without consulting a *GP* for a remote assessment with a trained advisor, *Therapist*, *Mental Health and Wellbeing Therapist* or other clinician who specialises in your condition. This may lead to a referral for a consultation or *Treatment*
- second, if you already have a *GP* referral, you may also be offered the option to speak to a *Therapist*, practitioner or other clinician who specialises in your condition to explore all of your *Treatment* options.

For details about cover for the Direct Access service and how it works please see paragraph 2.2 Direct Access service on page 36.

Step 2 If Direct Access is not available (or if you prefer) – consult a GP for an open referral

Sometimes, when you have had a consultation with another healthcare practitioner before consulting a *GP* and they believe referral to a *Consultant* is appropriate, a *GP* appointment may not be clinically necessary. The situations in which *we* will accept such a referral are set out on bupa.co.uk/referrals or you can call *us*.

The *GP* will assess if you need to go to see a *Consultant*. If they decide that you do and:

- your *Benefits* include cover for *Out-patient* consultations, diagnostic tests and therapies before hospital *Treatment*, ask the *GP* for an 'open referral' (unless a paediatric referral is required – see 'Referrals for children' below). This allows *us* to offer you a choice of nearby *Recognised Practitioners* covered under your *Benefits*. Some *GPs* may prefer to give a 'named referral' to a certain *Consultant*, however, you should call *us* before you make an appointment to confirm that *we* recognise them under your cover, to avoid your being liable to pay

- your *Benefits* do not cover *Out-patient* consultations, diagnostic tests or therapies before a diagnosis of your condition and hospital *Treatment*, you will need to choose whether to pay yourself for a private *Out-patient* consultation, diagnostic test or therapy or use the *NHS*. If you decide to pay yourself call *us* and *we* can talk through your options and help you find a *Recognised Practitioner* covered under your *Benefits* in case you should go on to need hospital *Treatment*.

Referrals for children aged 17 or under: It is not always possible for *us* to find you a paediatric *Consultant* so when a paediatric referral is required *we* ask that you obtain a named referral from a *GP*.

Step 3 Contact us

You can call *us* on **0345 609 0777*** and *we* will talk you through your options. Alternatively, you can contact *us* via *our* webchat service or complete the online request for treatment form. *We* will explain which nearby *Consultants*, facilities and healthcare professionals are covered under your *Benefits* and provide you with a pre-authorisation number so your healthcare provider can send the bill directly to *us*.

If your *Consultant* recommends further tests or *Treatment*, it is important you check back with *us* to obtain further pre-authorisation.

We strongly advise you to call *us* before arranging or receiving any *Treatment* to pre-authorise it, as you will be responsible for paying any fees or charges that are not covered under your *Benefits*.

Claims checklist

To help *us* make the claims process as simple and swift as possible, please have the following information close to hand when you contact *us*:

- your *Bupa* membership number
- details of the condition you are suffering from
- details of when your symptoms first began
- details of when you first consulted a *GP* about your condition
- details of the *Treatment* that has been recommended.

2.2 Direct Access service

Our Direct Access service applies only to certain medical conditions and has two parts to it:

- first, it can help provide a fast and convenient way for you to access *Eligible Treatment* without the need for a *GP* referral, and
- second, if you already have a *GP* referral, you may also be offered the option to speak to a *Therapist*, practitioner or other clinician who specialises in your condition to explore all of your *Treatment* options.

Age limits apply to who can use the service. Further details about the Direct Access service, including the age limits that apply, can be found on bupa.co.uk/direct-access or you can contact *us*.

*We may record or monitor our calls.

Please note:

- if your *Membership Certificate* shows your underwriting method as 'Underwritten', you have access to the Direct Access service. If the Direct Access service refers you for a consultation or *Treatment* and you want to make a claim you may need to provide us with certain information to establish that your condition is not a *Pre-existing Condition* – please see paragraph 2.5 and 2.6 on pages 38 and 39 for full details
- if your *Membership Certificate* shows your underwriting method as 'Moratorium', you have access to the Direct Access service. If the Direct Access service refers you for a consultation or *Treatment* and you want to make a claim you will need to follow the standard process for claiming to establish that your condition is not a moratorium condition – please see paragraphs 2.4 and 2.6 on pages 38 and 39 for full details
- you can use the Direct Access service when your medical condition is not covered by your *Benefits*. For example, if you have a *Pre-existing Condition* or general exclusion the Direct Access service will still be available to you for a remote assessment. Any *Out-patient* consultations, therapies or *Treatment* that's recommended by the Direct Access service for those conditions would not be covered under your *Benefits*
- if an individual *Out-patient* limit applies to your cover as shown on your *Membership Certificate* and you have used all your *Out-patient* limit for the *Year*, you can still use the Direct Access service but any *Out-patient* consultations, diagnostic tests or therapies you are referred for would not be covered under your *Benefits*
- if your *Benefits* do not cover *Out-patient* consultations, diagnostic tests and therapies before diagnosis of your condition and hospital *Treatment*, you can still use the Direct Access service, but any *Out-patient* consultations or therapies the Direct Access service may refer you for would not be covered under your *Benefits*.

The charge for any remote assessments required as part of our Direct Access process will not:

- erode your *Out-patient* benefit limit if you have one, nor
- be subject to your excess if one applies to your cover.

If you go on to receive and claim for *Eligible Treatment* following referral by our Direct Access service, that *Treatment* will be treated as a normal claim under your cover.

General information on claiming

2.3.1 *Treatment* costs are only covered when:

- the person with responsibility is a *Consultant*. The only exception to this is where a *GP*, *Consultant* or our Direct Access service refers you for *Out-patient Treatment* by a *Therapist*, *Mental Health and Wellbeing Therapist* or *Complementary Medicine Practitioner*
- on the date you receive *Treatment* the *Consultant*, medical practitioner or other healthcare professional and the facility where the *Treatment* is given, are recognised by us for treating the condition you have and for providing the type of *Treatment* you need.

2.3.2 Any *Treatment* must be provided in the *UK*.

2.4 **If you need to make a claim and your *Membership Certificate* says that your underwriting method is ‘Moratorium’:** before you arrange any consultation or *Treatment* you must call *us* and we will send you a pre-treatment form to complete with details of the history of the relevant medical condition including information you will need to get from a *GP* or *Consultant*. They may charge you a fee for this which we do not pay. Once we receive all the information we need, we will say whether your proposed *Treatment*, medical provider, healthcare professional or treatment facility will be eligible under your cover.

If you wish to make a claim, we will tell you whether you will need to complete a claim form.

2.4.1 If you do not need to complete a claim form, we will treat your submission of your pre-treatment form to *us* as your claim once we are notified that you have received your consultation or *Treatment*. In most cases we will be notified that you have received your consultation or *Treatment* by your *Consultant* or the provider of your *Treatment*.

2.4.2 If you do need to complete a claim form, you will need to return the fully completed claim form to *us* as soon as possible and, in any event, within six months of receiving the *Treatment* for which you are claiming unless this was not reasonably possible.

2.5 **If you need to make a claim and your *Membership Certificate* shows your underwriting method is ‘Underwritten’:** it is important that you complete and send *us* the *Application Form* for you and/or for your *Dependants* if your *Membership Certificate* states that we require your medical history. Until you have completed this we won't be able to confirm exactly what your policy covers you and/or your *Dependants* for, meaning your claims might take longer for *us* to process or you might not be eligible to claim for *Treatment* you need.

2.5.1 When you call your helpline to pre-authorise your *Treatment* we will confirm if the *Treatment* is eligible under your cover and if so the *Benefits* available to you and, if you wish to make a claim, tell you whether you need to complete a claim form.

2.5.2 If you do not need to complete a claim form, we will treat your call to *us* as your claim once we are notified that you have received your consultation or *Treatment*. In most cases we will be notified that you have received your consultation or *Treatment* by your *Consultant* or the provider of your *Treatment*.

2.5.3 If you do need to complete a claim form, you will need to return the fully completed claim form to *us* as soon as possible and, in any event, within six months of receiving the *Treatment* for which you are claiming unless this was not reasonably possible.

2.6 Providing us with information

You must provide *us* with the information we reasonably need to assess your claim. For example, we may ask you for:

- medical reports and other information about the proposed *Treatment*
- an independent medical examination, at *our* expense
- original accounts and invoices in connection with your claim (including any related to *Treatment* costs covered by your excess – if any). We cannot accept photocopies of accounts or invoices or originals that have been altered.

You can, of course, refuse to supply any of this material, but if you do not provide us with information we reasonably request, we will be unable to assess or pay your claim.

Medical reports – when we need more information from your doctor

2.6.1 When we need to ask your doctor for more information, in writing about your consultation, tests or treatment for insurance purposes, we will need your permission. The **Access to Medical Reports Act 1988** or the **Access to Personal Files and Medical Reports (NI) Order 1991** give you certain rights, which are:

1. you can give permission for your doctor to send us a medical report without asking to see it before they send it to us.
2. you can give permission for your doctor to send us a medical report and ask to see it before they send it to us.
 - you will have 21 days from the date we ask your doctor for your medical report to contact them and arrange to see it
 - if you don't contact your doctor within 21 days we will ask them to send the report straight to us
 - you can ask your doctor to change the report if you think it's inaccurate or misleading. If they refuse, you can insist on adding your own comments to the report before they send it to us
 - once you've seen the report, it won't be sent to us unless you give your doctor permission to do so.
3. you can withhold your permission for your doctor to send us a medical report. If you do, we will be unable to see whether the consultation, test or treatment is covered by your policy, and we won't be able to give you a pre-authorisation number or confirm whether we can contribute to the costs.

In any event you also have the right to ask your doctor to let you see a copy of your medical report within six months of it being sent to us.

Your doctor can withhold some or all the information in the report if, in their view, the information:

- might cause physical or mental harm to you or someone else or
- would reveal someone else's identity without their permission (unless the person is a healthcare professional and the information is about your care provided by that person)

We may be able to pay towards the cost of a medical report. We will let you know when we ask for your permission to request the report from your doctor. If we can pay towards it, you will need to pay any remaining amount.

2.7 **Claiming for Cash Benefits:** If your *Membership Certificate* says you are entitled to cash benefits, call the helpline to check your *Benefits*. We will confirm your *Benefits* and tell you whether you need to complete a claim form. You must send us either:

- your completed claim form if you need to complete one – please note that for *NHS Cash Benefit* you will need to take your claim form with you to the hospital and ask them to complete the hospital sections, or
- if you do not need a claim form, a covering letter giving your name, address and membership number together with your original invoices and receipts.

- 2.8 When you claim for *Treatment* you need because of an injury or medical condition that was caused by or was the fault of someone else (a 'third party') it is your responsibility to notify *us* as soon as reasonably possible and ensure *our* interests are protected in any legal action required so that *we* are able to recover any costs that *we* have paid for your *Treatment*. This includes:
- notifying *us* as soon as you become aware that you require (or may require) *Treatment* that was caused by or was otherwise the fault of a third party. You can contact *us* with this information on **0800 028 6850*** or email **infothirdparty@bupa.com[^]**
 - taking steps *we* ask of you to recover from the third party the cost of the *Treatment* paid for by *us*. This includes ensuring that *we* are able to liaise with you and your legal representative (if you appoint one) in relation to this and that you or your legal representative regularly keep *us* updated as to progress with any recovery action
 - ensuring that where you agree settlement with a third party, the settlement includes the cost of *Treatment* that *we* have paid for you in full, and that you pay such sum (and applicable interest) to *us* as soon as reasonably possible.
- 2.9 **Please note:** you can only claim for eligible private medical costs once. This means if you have two policies that provide private medical cover, the cost of your *Eligible Treatment* may be split between *Bupa* and the other insurance company. You will be asked to provide *us* with full details of any other insurance policy at the time of claim.
- 2.10 **Case Management:** If *we* believe you are having *Eligible Treatment* that could benefit from *our* case management support *we* will provide a case manager to help you navigate through your healthcare experience. Your case manager will contact you by phone and will work with you to understand your individual needs and the best way to help you. This can include discussing options available to you, liaising with healthcare professionals and helping you get the most from your policy.

3. Paying a claim

- 3.1 Usually, *we* will pay the providers of your *Treatment* directly. Otherwise *we* will pay the *Main Member*. *We* will pay claims for cash benefits to the *Main Member*.
- 3.2 If you wish to withdraw your claim, you should call the helpline to tell *us* as soon as possible. You will be unable to withdraw if *we* have already paid the claim. If you do withdraw your claim you will be responsible for paying the costs of that *Treatment*.
- 3.3 When you receive private medical treatment you have a contract with the providers of your *Treatment*. Any costs that are not covered under your *Benefits* you are responsible for paying.

*We may record or monitor our calls.

[^]If you need to send us sensitive information you can email us securely using Egress. For more information and to sign up for a free Egress account, go to <https://switch.egress.com>. You will not be charged for sending secure emails to a Bupa email address using the Egress service.

3.4 Other than in relation to the reimbursement of *Eligible Treatment* costs, there is no contract between you and *us* in respect of any private medical treatment or any other clinical services that you receive under your policy. *We* are not the provider of these things and this means that *we* are not responsible for the delivery of your private medical treatment or other clinical services.

3.5.1 Your *Membership Certificate* will say if you have agreed with *us* an excess payment.

3.5.2 Having an excess means that you have to pay part of any *Treatment* costs that *we* would otherwise pay. An excess applies to the first amount of any claim.

3.5.3 Any excess applies per person per policy *Year*. It resets at each *Renewal Date* even if your *Treatment* is continuing. So your excess could apply twice to a single course of *Treatment* if the *Treatment* begins in one *Year* and continues into the next.

You are responsible for paying any excess. *We* will write to the *Main Member* or *Dependant* having *Treatment* (when aged 16 and over) to say who they should pay.

3.5.4 You should always make a claim for *Treatment* costs even if *we* will not pay the claim because of your excess. Otherwise the amount will not be counted towards your excess and you may lose out should you need to claim next time.

3.5.5 Unless *we* say otherwise on your *Membership Certificate*:

- *we* apply the excess limits in the order in which *we* process claims
- the excess does not apply to cash benefits
- when you claim for *Treatment* costs where a benefit limit applies, your excess payment will not count towards your total benefit limit for that *Benefit*.

3.5.6 Example of how an annual fixed excess works

Check your *Membership Certificate* to see if an excess applies to your *Benefits*.

The following is an example only and assumes that all costs are *Eligible Treatment* costs and:

- an excess of £100 a *Year*
- an *Out-patient* benefit limit of £500 a *Year*.

Example

<i>Out-patient</i> benefit limit for the <i>Year</i>	£500
You incur costs for <i>Out-patient</i> physiotherapy	£250
<i>We</i> pay your <i>Therapist</i>	£150
<i>We</i> notify you of excess amount you pay direct to your <i>Therapist</i>	£100
Your remaining <i>Out-patient</i> benefit limit for the rest of the <i>Year</i>	£350
Your remaining excess for the rest of the <i>Year</i>	£0

4. Changes to lists

Where we refer to a list that we can change, it will be for one of the following reasons:

- where we are required to by any industry code, law or regulation
- where a contract ends or is amended by a third party for any reason
- where we elect to terminate or amend a contract. For example: because of quality concerns or changes in the provision of facilities and/or specialist services
- where the geographic balance of the service we provide is to be maintained
- where effectiveness and/or costs are no longer in line with similar *Treatments* or services or accepted standards of medical practise, or
- where a new service, *Treatment* or facility is available.

The lists we apply these criteria to include the following:

- *Advanced Therapies*
- *Appliances*
- *Consultant Fees Schedule*
- *Critical Care Units*
- *Fee-Assured Consultants*
- *Medical Treatment providers*
- *Prostheses*
- *Recognised Facilities*
