We may record or monitor our calls. Lines are open 8am to 6pm Monday to Friday.

*Bupa clinics can only provide sick certification for a maximum of 7 days during an illness episode. The sick note that we issue is our own certificate (at present we do not issue med3 or statement of fitness for work "fit note" certificates), it is only advisory and cannot be used for Social Security or Statutory Sick Pay purposes. For further sick certification for the same health issue, customers should be advised to contact their regular GP service under which they are registered as patients.

[†]Only available to those aged 18 and above.

**The cost of issuing any prescriptions is included. You will need to pay for your medication at the pharmacy of your choice, and the cost may be higher than for medications dispensed under an NHS prescription.

[†]Available with GP bundle option.

[^]Only available with our company-paid option/scheme.
