Notification of changes to Bupa impairment codes

This bulletin aims to keep you up-to-date with any changes to impairment codes published in the list of Bupa Impairment Codes.

To ensure you are always viewing the latest version of the list, please refer to the electronic copy at www.bupa.co.uk/impairment-codes

The revised list comes into effect from this month and includes changes, as shown on the following page.

To help you ensure that you are using the current version, the list is valid for a set period and includes a 'valid until' date and issue date at the bottom of each page. Regular updates will be issued, so it is important to always ensure that you are using a valid version. By accessing the list electronically at www.bupa.co.uk/impairment-codes you can be confident that it is up-to-date.

If you have any questions please call Bupa Provider Services on **0345 755 33 33**. Lines are open 8am to 6pm, Monday to Friday and 8am to 1pm on Saturday. Calls may be recorded and may be monitored.

Thank you
