Benefits Table

This Benefits Table sets out the type of Benefits and charges we pay for Eligible Treatment, and what we do not cover in relation to any particular Benefit. The General Exclusions section sets out the areas we do not cover and in some cases the related exceptional circumstances in which we do provide cover. This Table forms part of the Bupa By You Health Insurance Agreement.

Important Information

1. At the Cover Start Date you must have been registered continuously with a GP for a period of at least six months, or have access to and be able to provide your full medical records in English.

2. Your Membership Certificate sets out the details of the cover you have chosen. We do not pay for any Benefit listed in this Table unless it is included on your Membership Certificate. We also do not pay for any personal travel and/or accommodation costs which are not expressly set out in your Benefits.

3. We only pay up to the limits stated on your Membership Certificate and subject to any excess stated on your Certificate. The limits may affect how much we pay for particular Benefits or to particular Treatment providers.

4. If your underwriting method shown on your Membership Certificate is:
   - Underwritten: we do not pay for Treatment for any Special Conditions detailed on your Confirmation of Special Conditions or any Pre-existing Conditions, see your Membership Certificate for more details including what we mean by Special Conditions. We will send a Confirmation of Special Conditions for anyone to whom a Special Condition applies.
   - Moratorium: we do not pay for Treatment for Moratorium Conditions, see your Membership Certificate for more details including what we mean by Moratorium Conditions.

5. You should always call us before arranging or receiving Treatment to check that you will be covered. The number to call us on can be found on your Membership Certificate.

6. All Treatment must be carried out in a Recognised Facility in the UK, and provided by a Consultant, medical practitioner or healthcare professional who is recognised by us for the Treatment you need on the date you receive that Treatment, unless we specifically authorise otherwise in a particular case. For example we may pay Consultants’ fees for Eligible Treatment in a treatment facility that is not recognised by us when your proposed Treatment cannot take place in a Recognised Facility for medical reasons. However, you will need our agreement before the Treatment is received and we need full details from your Consultant before we can give our decision.
You can ask us whether at the time of your Treatment:

- a facility is a Recognised Facility
- a practitioner is a Recognised Practitioner
- a Consultant, medical practitioner or healthcare professional is recognised by us for remote consultations.

You can also access these details at finder.bupa.co.uk

7. If the Treatment you need is not available in the UK and would have been Eligible Treatment except for it not being available in the UK, we will pay you a contribution up to the cost that we would have paid to you to have the standard alternative Treatment available in the UK. Before the Treatment starts you must have our written confirmation that these criteria have been met and we need full clinical details from your Consultant, including confirmation that the Treatment is not available in the UK, before we can determine this. You will need to settle the claim direct to the medical provider or treatment facility yourself and submit your receipts to us before we reimburse you up to the level of the standard Treatment available in the UK. (See General Exclusion GE14 Experimental Drugs and Treatment.)

8. There must be a Consultant with overall responsibility for your Treatment, unless you are referred by:
   - a Consultant
   - our Direct Access service (see paragraph 2.2 in the Claiming section of this booklet for details of the Direct Access service)
   - a GP (including via a digital GP service), or
   - another healthcare practitioner (the situations in which we will accept such a referral are set out on bupa.co.uk/referrals)

   for Out-patient Treatment carried out by a Consultant, Therapist, Mental Health and Wellbeing Therapist or other Recognised Practitioner.

9. We do not pay for Treatment of Chronic Conditions. However, we will pay for Eligible Treatment for an unexpected flare-up of acute symptoms of a Chronic Condition if the Treatment is likely to lead quickly to a complete recovery rather than prolonged Treatment. We do not pay for Treatment required due to the expected deterioration or flare up of a Chronic Condition. This includes conditions which have a relapsing-remitting nature and require management of recurrent flare-ups, for example, inflammatory bowel disease. In such cases, the flare-ups are an expected part of the normal course of the illness and therefore we do not consider them as acute complications of the disease.

   See General Exclusion GE5 Chronic Conditions.

10. Information about cover for children aged 17 or under: Some private hospitals do not provide services for children or have restricted services available for children, so Treatment may be offered at an NHS hospital. You can ask us about Recognised Facilities where paediatric services are available or you can find them on finder.bupa.co.uk

   Where In-patient or Day-patient Eligible Treatment is required, children are likely to be treated in a general children’s ward. This is in line with good paediatric practice.

Some words and phrases we use are in italics. These have technical meanings which are set out in the glossary at the end of these Terms.

Eligibility
To be eligible for this cover the Main Member and Dependants must:

- be Resident in the UK
- at the Cover Start Date have been registered continuously with a GP for a period of at least six months, or have access to and be able to provide their full medical records in English, and

1.1 Only you as the Bupa Main Member have legal rights under this Agreement, although your Dependants also have access to our complaints process (please see ‘Making a complaint’ in the ‘Protecting your information and rights’ section of this booklet).

1.1.2 Your Membership Certificate names any Dependants you have asked us to cover. Where we refer to “you” in these Terms, Benefits Table and on your Membership Certificate in relation to the cover or a claim that will include your Dependants, where relevant.

1.1.3 The details of the cover you have chosen, whether Cash Benefits apply, any personal restrictions or exclusions, excess payments, and your Cover Start Date and Cover End Date, are listed on your Membership Certificate and also any Confirmation of Special Conditions we send for anyone to whom a Special Condition applies.

1.1.4 The Benefits we provide and some requirements are described in our Benefits Table. Benefits mentioned in these Terms or the Benefits Table, but not listed on your Membership Certificate, do not apply to you or your Dependants.

1.1.5 The Benefits Table also details conditions, Treatment, charges and costs we do not cover and in some cases the related exceptional circumstances in which we do provide cover.
1.1.6 Your *Membership Certificate* will state whether your cover is Underwritten or Moratorium (and explain what that means).

1.1.7 You must pay subscriptions (including Insurance Premium Tax (IPT)) in advance throughout your membership. Bupa Insurance Services Limited acts as *our* agent for arranging and administering your policy. Subscriptions are collected by Bupa Insurance Services Limited as *our* agent for the purpose of receiving, holding and refunding subscriptions and claims monies. If the IPT rate changes or any new taxes or charges are introduced, *we* will change the amount of the subscriptions you have to pay.

1.2 You will have a contract with the Consultant/medical practitioner/ healthcare professional and/or clinic/hospital for private medical Treatment and you are responsible for paying for them. If your Treatment is covered, *we* will pay the amount covered. We usually pay direct although occasionally we may pay you. Any amount not covered is your responsibility. *We* will write to tell the *Main Member or Dependant* having Treatment (when aged 16 and over) when there is an amount for them to pay in relation to any claim (for example, if they have an excess amount to pay) and who payment should be made to.

1.3 *We* only pay Benefits for Treatment you receive while you are covered under the policy and *we* only pay Benefits in accordance with the cover that applies to you on the date the Treatment takes place. *We* do not pay for any Treatment, including any Treatment we have pre-authorised, that takes place on or after the date your cover ends.

1.4 *We* do not have to pay a claim if you or a Dependant break any of the terms and conditions of membership, which are related to the claim. If there is reasonable evidence that you or a Dependant did not take reasonable care in answering our questions (by this we mean giving false information or keeping necessary information from us) then if this was:
   - intentional, *we* may treat your or (if applicable) your Dependant’s cover as if it never existed and refuse to pay all claims
   - careless, then depending on what we would have done if you or they had answered our questions correctly, *we* may treat your or (if applicable) your Dependant’s cover as if it never existed and refuse to pay all claims (in which case you may need to repay any claims we have paid and we will return any subscriptions you have paid in respect of your or (if applicable) your Dependant’s cover), change your or their cover, or *we* could reduce any claim payment.

1.5 Your agreement is for one year’s insurance. However, your cover will renew automatically each *Year*, subject to 1.6.1 to 1.6.4 below, as long as you continue to pay your subscriptions and any other charges, unless *we* decide to close Bupa By You Health Insurance.

   If this applies, *we* will write to tell you at least 28 days before your *Renewal Date*.

1.6.1 You can end your cover (which will also end the cover for your Dependents) or the inclusion of any of your Dependents at any time by calling *us* on 0345 609 0777 (*we* may record or monitor our calls) or writing to *us*: Bupa, Bupa Place, 102 The Quays, Salford M50 3SP. *We* will refund any subscriptions which relate to a period after the cover ends.
1.6.2 Your cover, and that of all your Dependants, will automatically end if
- you do not pay your subscriptions, or any other payment you have to make in respect of the cover, on or before the date they are due. In the event of your membership terminating as a result of your failing to pay subscriptions in respect of your membership, on the due date, we may at our sole discretion permit your membership and that of your Dependants to continue, on condition that the overdue subscriptions payable in respect of your membership are received by us within 30 days of the due date
- you stop being Resident in the UK, or
- we do not have the correct address for you, and we are unable to confirm your correct address after using reasonable efforts to do so, then we will cancel your policy at renewal as we will not be able to confirm that you still require cover
- you die.

1.6.3 A Dependant’s individual cover will automatically end if:
- you tell us not to renew the cover of that Dependant
- the Dependant stops being Resident in the UK
- the Dependant dies.

It is your responsibility to tell us if any of these happen.

1.6.4 We can end a person’s membership in the circumstances set out in 1.4 above.

1.6.5 We can cancel or refuse to renew a Main Member’s or a Dependant’s cover if, in our reasonable opinion, our relationship with that Main Member or Dependant has broken down. Such circumstances include but are not limited to:
- being abusive to our staff or providers
- issuing court proceedings entirely without merit
- any action which leads us to believe the member will not act in good faith in their dealings with us.

1.7 We can change these Terms, the amount of your subscriptions, any discount or preferential rates and the cover available to you and your Dependants or other terms of your membership, at your Renewal Date.

If your ‘Underwriting method’ on your Membership Certificate is ‘Underwritten’ we will not add any personal exclusions or restrictions to your cover for medical conditions that:
- start after your Effective Underwriting Date, so long as you gave us all the information we asked for before the Effective Underwriting Date
- start before your Effective Underwriting Date, where you gave us all the information we asked for and we accepted the condition.

If your ‘Underwriting method’ on your Membership Certificate is ‘Moratorium’ we will not add any personal exclusions or restrictions to your cover for medical conditions that start before your Moratorium Start Date where the requirements specified on your Membership Certificate have been met for that condition to be covered.
If we do make any changes, we will write to tell you at least 28 days before the **Renewal Date**. If you do not accept any of the changes you can cancel your Bupa By You health insurance policy within the later of:
- 28 days of the date on which the change takes effect, or
- 28 days of **Bupa** telling you about the change.

2. Claiming

2.1 Step by step guide to making a claim

Being referred for treatment

Your consultation or Treatment must follow an initial referral by:

- our Direct Access service, if you have cover for it. For details about cover for Direct Access and how it works see 2.2 Direct Access service in this section
- a GP (including via a digital GP service), or
- another healthcare practitioner. The situations in which we will accept such a referral are set out on bupa.co.uk/referrals

Step 1 Find out if the Direct Access service is available to you

If it is available to you, it applies only to certain medical conditions and has two parts to it:

- first you can call us directly for a referral to a Consultant, Therapist or Mental Health and Wellbeing Therapist usually without consulting a GP, and
- secondly, if you already have a GP referral, you may also be offered the option to speak to a Therapist, practitioner or other clinician who specialises in your condition to explore all of your Treatment options.

For details about cover for the Direct Access service and how it works please see paragraph 2.2 Direct Access service on page 36.

Step 2 If Direct Access is not available (or if you prefer) – consult a GP for an open referral

Sometimes, when you have had a consultation with another healthcare practitioner before consulting a GP and they believe referral to a Consultant is appropriate, a GP appointment may not be clinically necessary. The situations in which we will accept such a referral are set out on bupa.co.uk/referrals or you can call us.

The GP will assess if you need to go to see a Consultant. If they decide that you do and:

- your Benefits include cover for Out-patient consultations, diagnostic tests and therapies before hospital Treatment, ask the GP for an ‘open referral’ (unless a paediatric referral is required – see ‘Referrals for children’ below). This allows us to offer you a choice of nearby Recognised Practitioners covered under your Benefits. Some GPs may prefer to give a ‘named referral’ to a certain Consultant, however, you should call us before you make an appointment to confirm that we recognise them under your cover, to avoid your being liable to pay.
- your Benefits do not cover Out-patient consultations, diagnostic tests or therapies before a diagnosis of your condition and hospital Treatment, you will need to choose whether to pay yourself for a private Out-patient consultation, diagnostic test or therapy or use the NHS. If you decide to pay yourself call us and we can talk through your options and help you find a Recognised Practitioner covered under your Benefits in case you should go on to need hospital Treatment.

Referrals for children aged 17 or under: It is not always possible for us to find you a paediatric Consultant so when a paediatric referral is required we ask that you obtain a named referral from a GP.
Step 3 Contact us
You can call us on 0345 609 0777* and we will talk you through your options. Alternatively, you can contact us via our webchat service or complete the online request for treatment form. We will explain which nearby Consultants, facilities and healthcare professionals are covered under your Benefits and provide you with a pre-authorisation number so your healthcare provider can send the bill directly to us.

If your Consultant recommends further tests or Treatment, it is important you check back with us to obtain further pre-authorisation.

We strongly advise you to call us before arranging or receiving any Treatment to pre-authorise it, as you will be responsible for paying any fees or charges that are not covered under your Benefits.

Claims checklist
To help us make the claims process as simple and swift as possible, please have the following information close to hand when you contact us:
- your Bupa membership number
- details of the condition you are suffering from
- details of when your symptoms first began
- details of when you first consulted a GP about your condition
- details of the Treatment that has been recommended.

2.2 Direct Access service
Our Direct Access service applies only to certain medical conditions and has two parts to it:
- first, it can help provide a fast and convenient way for you to access Eligible Treatment without the need for a GP referral, and
- secondly, if you already have a GP referral, you may also be offered the option to speak to a Therapist, practitioner or other clinician who specialises in your condition to explore all of your Treatment options.

Age limits apply to who can use the service. Further details about the Direct Access service, including the age limits that apply, can be found on bupa.co.uk/direct-access or you can call us.

Please note:
- if your Membership Certificate shows your underwriting method as ‘Underwritten’, before a referral for Treatment can be made through our Direct Access service you may need to provide us with certain information to establish that your condition is not a Pre-existing Condition – please see paragraph 2.5 and 2.6 on pages 38 and 39 for full details
- if your Membership Certificate shows your underwriting method as ‘Moratorium’, before using the Direct Access service you will need to follow the standard process for claiming to establish that your condition is not a moratorium condition – please see paragraphs 2.4 and 2.6 on pages 38 and 39 for full details
- if an individual Out-patient limit applies to your cover as shown on your Membership Certificate and you have used all your Out-patient limit for the Year, you can still use the Direct Access service but any Out-patient consultations, diagnostic tests or therapies you are referred for would not be covered under your Benefits

*We may record or monitor our calls.
if your Benefits do not cover Out-patient consultations, diagnostic tests and therapies before diagnosis of your condition and hospital Treatment, you can still use the Direct Access service, but any Out-patient consultations or therapies the Direct Access service may refer you for would not be covered under your Benefits.

The charge for any telephone assessments required as part of our Direct Access process will not:
- erode your Out-patient benefit limit if you have one, nor
- be subject to your excess if one applies to your cover.

If you go on to receive and claim for Eligible Treatment following referral by our Direct Access service, that Treatment will be treated as a normal claim under your cover.

General information on claiming

2.3.1 Treatment costs are only covered when:
- the person with responsibility is a Consultant. The only exception to this is where a GP, Consultant or our Direct Access service refers you for Out-patient Treatment by a Therapist, Mental Health and Wellbeing Therapist or Complementary Therapy Practitioner
- on the date you receive Treatment the Consultant, medical practitioner or other healthcare professional and the facility where the Treatment is given, are recognised by us for treating the condition you have and for providing the type of Treatment you need.

2.3.2 Any Treatment must be provided in the UK.

2.4 If you need to make a claim and your Membership Certificate says that your underwriting method is ‘Moratorium’: before you arrange any consultation or Treatment you must call us and we will send you a pre-treatment form to complete with details of the history of the relevant medical condition including information you will need to get from a GP or Consultant. They may charge you a fee for this which we do not pay. Once we receive all the information we need, we will say whether your proposed Treatment, medical provider, healthcare professional or Treatment facility will be eligible under your cover.

If you wish to make a claim, we will tell you whether you will need to complete a claim form.

2.4.1 If you do not need to complete a claim form, we will treat your submission of your pre-treatment form to us as your claim once we are notified that you have received your consultation or Treatment. In most cases we will be notified that you have received your consultation or Treatment by your Consultant or the provider of your Treatment.

2.4.2 If you do need to complete a claim form, you will need to return the fully completed claim form to us as soon as possible and, in any event, within six months of receiving the Treatment for which you are claiming unless this was not reasonably possible.
2.5 If you need to make a claim and your Membership Certificate shows your underwriting method is ‘Underwritten’: it is important that you complete and send us the Application Form for you and/or for your Dependents if your Membership Certificate states that we require your medical history. Until you have completed this we won’t be able to confirm exactly what your policy covers you and/or your Dependents for, meaning your claims might take longer for us to process or you might not be eligible to claim for Treatment you need.

2.5.1 When you call your helpline to pre-authorise your Treatment we will confirm if the Treatment is eligible under your cover and if so the Benefits available to you and, if you wish to make a claim, tell you whether you need to complete a claim form.

2.5.2 If you do not need to complete a claim form, we will treat your call to us as your claim once we are notified that you have received your consultation or Treatment. In most cases we will be notified that you have received your consultation or Treatment by your Consultant or the provider of your Treatment.

2.5.3 If you do need to complete a claim form, you will need to return the fully completed claim form to us as soon as possible and, in any event, within six months of receiving the Treatment for which you are claiming unless this was not reasonably possible.

2.6 Providing us with information
You must provide us with the information we reasonably need to assess your claim. For example, we may ask you for:

- medical reports and other information about the proposed Treatment
- an independent medical examination, at our expense
- original accounts and invoices in connection with your claim (including any related to Treatment costs covered by your excess – if any). We cannot accept photocopies of accounts or invoices or originals that have been altered.

You can, of course, refuse to supply any of this material, but if you do not provide us with information we reasonably request, we will be unable to assess or pay your claim.

Medical reports – when we need more information from your doctor

2.6.1 When we need to ask your doctor for more information, in writing about your consultation, tests or treatment for insurance purposes, we will need your permission. The Access to Medical Reports Act 1988 or the Access to Personal Files and Medical Reports (NI) Order 1991 give you certain rights, which are:

1. You can give permission for your doctor to send us a medical report without asking to see it before they send it to us.
2. You can give permission for your doctor to send us a medical report and ask to see it before they send it to us.

You will have 21 days from the date we ask your doctor for your medical report to contact them and arrange to see it.

If you don’t contact your doctor within 21 days we will ask them to send the report straight to us.

You can ask your doctor to change the report if you think it’s inaccurate or misleading. If they refuse, you can insist on adding your own comments to the report before they send it to us.

Once you’ve seen the report, it won’t be sent to us unless you give your doctor permission to do so.
3. You can withhold your permission for your doctor to send us a medical report. If you do, we will be unable to see whether the consultation, test or treatment is covered by your policy, and we won’t be able to give you a pre-authorisation number or confirm whether we can contribute to the costs.

In any event you also have the right to ask your doctor to let you see a copy of your medical report within six months of it being sent to us.

Your doctor can withhold some or all the information in the report if, in their view, the information:

- might cause physical or mental harm to you or someone else or
- would reveal someone else’s identity without their permission (unless the person is a healthcare professional and the information is about your care provided by that person)

We may be able to pay towards the cost of a medical report. We will let you know when we ask for your permission to request the report from your doctor. If we can pay towards it, you will need to pay any remaining amount.

2.7 Claiming for Cash Benefits: If your Membership Certificate says you are entitled to cash benefits, call the helpline to check your Benefits. We will confirm your Benefits and tell you whether you need to complete a claim form. You must send us either:

- your completed claim form if you need to complete one – please note that for NHS Cash Benefit you will need to take your claim form with you to the hospital and ask them to complete the hospital sections, or
- if you do not need a claim form, a covering letter giving your name, address and membership number together with your original invoices and receipts.

2.8 When you claim for Treatment you need because of an injury or medical condition that was caused by or was the fault of someone else (a ‘third party’) it is your responsibility to notify us as soon as reasonably possible and ensure our interests are protected in any legal action required so that we are able to recover any costs that we have paid for your Treatment. This includes:

- notifying us as soon as you become aware that you require (or may require) Treatment that was caused by or was otherwise the fault of a third party. You can contact us with this information on 0800 028 6850* or e-mail infothirdparty@bupa.com
- taking steps we ask of you to recover from the third party the cost of the Treatment paid for by us. This includes ensuring that we are able to liaise with you and your legal representative (if you appoint one) in relation to this and that you or your legal representative regularly keep us updated as to progress with any recovery action
- ensuring that where you agree settlement with a third party, the settlement includes the cost of Treatment that we have paid for you in full, and that you pay such sum (and applicable interest) to us as soon as reasonably possible.

*We may record or monitor our calls.
2.9 Please note: you can only claim for eligible private medical costs once. This means if you have two policies that provide private medical cover, the cost of your Eligible Treatment may be split between Bupa and the other insurance company. You will be asked to provide us with full details of any other insurance policy at the time of claim.

2.10 Case Management: If we believe you are having Eligible Treatment that could benefit from our case management support we will provide a case manager to help you navigate through your healthcare experience. Your case manager will contact you by phone and will work with you to understand your individual needs and the best way to help you. This can include discussing options available to you, liaising with healthcare professionals and helping you get the most from your policy.

3. Paying a claim

3.1 Usually, we will pay the providers of your Treatment directly. Otherwise we will pay the Main Member. We will pay claims for cash benefits to the Main Member.

3.2 If you wish to withdraw your claim, you should call the helpline to tell us as soon as possible. You will be unable to withdraw if we have already paid the claim. If you do withdraw your claim you will be responsible for paying the costs of that Treatment.

3.3 When you receive private medical treatment you have a contract with the providers of your Treatment. Any costs that are not covered under your Benefits you are responsible for paying.

3.4 Other than in relation to the reimbursement of Eligible Treatment costs, there is no contract between you and us in respect of any private medical treatment or any other clinical services that you receive under your policy. We are not the provider of these things and this means that we are not responsible for the delivery of your private medical treatment or other clinical services.

3.5.1 Your Membership Certificate will say if you have agreed with us an excess payment.

3.5.2 Having an excess means that you have to pay part of any Treatment costs that we would otherwise pay. An excess applies to the first amount of any claim.

3.5.3 Any excess applies per person per policy Year. It resets at each Renewal Date even if your Treatment is continuing. So your excess could apply twice to a single course of Treatment if the Treatment begins in one Year and continues into the next.

You are responsible for paying any excess. We will write to the Main Member or Dependant having Treatment (when aged 16 and over) to say who they should pay.

3.5.4 You should always make a claim for Treatment costs even if we will not pay the claim because of your excess. Otherwise the amount will not be counted towards your excess and you may lose out should you need to claim next time.

3.5.5 Unless we say otherwise on your Membership Certificate:
  - we apply the excess limits in the order in which we process claims
  - the excess does not apply to cash benefits
  - when you claim for Treatment costs where a benefit limit applies, your excess payment will not count towards your total benefit limit for that Benefit.
3.5.6 Example of how an annual fixed excess works

Check your Membership Certificate to see if an excess applies to your Benefits. The following is an example only and assumes that all costs are Eligible Treatment costs and:

- an excess of £100 a Year
- an Out-patient benefit limit of £500 a Year.

4. Changes to lists

Where we refer to a list that we can change, it will be for one of the following reasons:

- where we are required to by any industry code, law or regulation
- where a contract ends or is amended by a third party for any reason
- where we elect to terminate or amend a contract. For example: because of quality concerns or changes in the provision of facilities and/or specialist services
- where the geographic balance of the service we provide is to be maintained
- where effectiveness and/or costs are no longer in line with similar Treatments or services or accepted standards of medical practise, or
- where a new service, Treatment or facility is available.

The lists we apply these criteria to include the following:

- Advanced Therapies
- Appliances
- Consultant Fees Schedule
- Critical Care Units
- Fee-Assured Consultants
- Medical Treatment providers
- Prostheses
- Recognised Facilities
- Recognised Practitioners
- Schedule of Procedures
- Specialist Drugs.

Please note that we cannot guarantee the availability of any facility, practitioner or Treatment.
