

Business dental insurance.
Better for business

Oral cancer. A competitor comparison.

How do we compare?

We're the only leading insurer that offers unlimited oral cancer treatment* when your employees use our network and facilities and now, they won't have to wait for treatment either#. We'll also cover diagnosis of oral cancer, and any restorative treatment needed as a result.

Cover				
Oral cancer treatment is unlimited	<div>✓ Unlimited</div>	<div>✗ Clear: £10,000 lifetime limit Radiant: £20,000 lifetime limit</div>	<div>✗ £15,000 lifetime limit</div>	<div>✗ Payment up to £20,000 towards one course of treatment</div>

Please note we do not cover oral cancer that was diagnosed or for which employees had symptoms or investigations before their cover start date. However, if you are transferring from another provider, we will provide continuous cover to employees who had dental insurance via this scheme.

Please note the competitors featured in the table do not cover pre-existing oral cancer

* As of June 2023, this analysis is based on an internally conducted review of the business dental insurance market, using publicly available information from the major insurers in the UK. This refers to standard oral cancer cover when it is included in the selected dental insurance product. We acknowledge that business schemes can have bespoke benefits.
